This is the third book by Janette Rallison I've read and it's just as entertaining as the others. Just One Wish is a quick read, made even quicker by the fact that I couldn't put it down until the last page was turned. Annika is endearing and her exploits to get Jeremy the "real" Robin Hood are hilarious.

Just One Wish by Janette Rallison 8 of 10: Perfect light reading - funny and clean, with a nice romance. I loved every crazy second of Just One Wish about a girl determined to make her six-year-old brother's dream of meeting his hero (Robin Hood) come true before he goes in for surgery. This is one of those books where the cover put me off.

Just One Wish by Janette Rallison - Paperback - 2010 ...

This book was a little different from some of Janette Rallison's other books because there was a bittersweet element to it. There's still the romantic, fun side of the book, but because it also deals with her little brother's sickness, this book reaches an even higher level of emotion and goes deeper than some of her others.

Seventeen-year-old Annika tries to cheer up her little brother Jeremy before his surgery to remove a cancerous tumor by bringing home his favorite television actor, Steve Raleigh, the star of "Teen Robin Hood."

After her boyfriend dumps her for her older sister, sophomore Savannah wishes she could find a true prince to take her to the prom. Enter Chrysanthemum Everstar: Savannah's gum-chewing, cell phone-carrying, high heel-wearing Fair Godmother. Despite a few wish-granting mishaps, Savannah's fairy-tale ending might not be as far off as she imagined.

After her parents' divorce Tansy never really felt like her life got back to normal. And now that her too-busy parents and their respective new spouses don't seem to have time for her, Tansy has been sent to live with her semi-neurotic grandmother. After one incident involving a bad date, a can of spray paint, and the police, Tansy fears she is doomed for life. Enter Chrissy Everstar, Tansy's fairy in shining er... high heels. With three wishes to help set her life right, Tansy is taken along for a ride that includes Robin Hood and his Merry Men, who turn out to be trouble when they steal from the rich in her town. When the police chief's son, Hudson, sees Tansy hanging out with these fairy tale criminals, she'll have some serious explaining to do. That's if Tansy can find a way to stop spinning gold and undo the "help" that Chrissy has bestowed.

When your chance for getting into college and your date for the prom are all on the line... Sixteen-year-old Samantha Taylor is used to having things go her way. She's head cheerleader and has all the right friends and a steady stream of boyfriends. But when she tanks the SATs, her automatic assumptions about going to college don't appear to be so automatic anymore. She determines that her only hope for college admission is to win the election for student body president. Unfortunately, with her razor wit and acid

tongue, she's better suited to dishing out insults than winning votes. When she brashly bets her classmate Logan that she can go two weeks without uttering a single insult, Samantha immediately realizes that she may have bitten off more than she can chew. And when her current boyfriend dumps her, less than three weeks before the prom, it couldn't be a worse time to be forced to keep her opinions to herself. Finding a new boyfriend will be a challenge now that Logan shadows her every move, hoping to catch her slipping back into her old ways. Samantha is determined to win the election and find a dream date for the prom, no matter what it takes. After all . . . all's fair in love and war (and high school!).

While working at the mall, organizing a school fundraiser, and trying to prove that her best friend's boyfriend is seeing another girl, high-school student Charlotte's best intentions always seem to backfire.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

When eighteen-year-old Lexi of Morgantown, West Virginia, becomes the body double of a famous pop star, she discovers that the girl she is replacing is actually her half-sister, and that their father is a famous rock star.

"Whimsical, exciting, funny, adventurous--all the things I loved about books growing up."--James Dashner, New York Times-bestselling author of the Maze Runner series Hudson Brown stopped believing in magic long ago. That is, until the day he is whisked away to the magical land of Logos by a curious compass given to him by his off-beat neighbor, Charlotte. Hudson discovers that Logos is a land ruled by words, thoughts, and memories. A fairy might ferry you across the river for the price of one memory. But be sure to look out for snarky unicorns, as they will see through those who are not pure of heart. Not

## Read Free Just One Wish By Janette Rallison Format Botxq

understanding the many rules of Logos, Hudson is quickly saddled with a troll curse. Charlotte, who, along with her father, was banished from Logos, can help get rid of the curse--but only if he agrees to find the lost Princess of Logos in return.

Boyfriends are supposed to be loyal, caring, and handsome. Giovanna's boyfriend, Jesse, has perfected the last two. But when her twin brother, Dante, runs for student body president, Jesse doesn't support Dante, choosing to campaign for his opponent instead. Shouldn't the fact that Jesse is Giovanna's boyfriend count for something? So Giovanna dumps Jesse and becomes Dante's campaign manager. But as the political debates heat up, Giovanna begins to regret breaking up with Jesse, and realizes that maybe her decision wasn't the political strategy she should have used?.

One of a Kind Can you imagine a love so sweet, a love so pure, a love so deep? Can you imagine if one be touched, how can one hold a gift of much? Can you imagine, yes, just one kind? I wish He was here to clean and strengthen our corrupt minds. Now I can imagine Him in everyones hearts and having this world as a place of art.
