USA Today Bestselling Author Erin McCarthy The Lady of the Lake Pro baseball player Dylan Diaz is pretty sure he's going to hell. Mary Forsberg Weiland, ex-wife of the late Scott Weiland, front man for Stone Temple Pilots and Velvet Revolver, tells a harrowing true story of depression, drug addiction, and mental illness with candor and, often, humor. Section one reviews relevant literature with an aim to clarify the dilemmas and advance present thinking and practice in history teaching in primary schools. Section two offers case studies, curriculum materials and designs, teaching ideas and methods, teacher-development and curriculum development materials, at the same time as tying it in to the existing knowledge-base. Section three considers the 'perennial dilemmas' for school history in the 21st century, including: how can history survive in an increasingly over-crowded and competitive school curriculum? Witchcraft...or murder? 1763. With the end of the French and Indian War and a new king on England's throne, it seems the colonies have entered a peaceful and prosperous new era. And though the fashionable ladies of Boston might find Bracebridge altogether too peaceful to be stimulating, young widow Charlotte Willett likes it just as it is. But the calm of the little village is about to be shattered by a wealthy stranger who bursts into flame by the side of the road--and then disappears! The townspeople begin muttering about witchcraft and the devil's hand, casting suspicious glances at a local Frenchman. But Charlotte, who has a keen interest in human nature, and her neighbor Richard Longfellow, gentleman farmer and scientist, have more earthly speculations about the merchant's disappearance. Was it murder, or an elaborate scheme?
