Seeing is Understanding. The first VISUAL guide to marine diesel systems on recreational boats. Step-by-step instructions in clear, simple drawings explain how to maintain, winterize and recommission all parts of the system - fuel deck fill - engine - batteries - transmission - stern gland - propeller. Book one of a new series. Canadian author is a sailor and marine mechanic cruising aboard his 36-foot steel-hulled Chevrier sloop. Illustrations: 300+ drawings Pages: 222 pages Published: 2017 Format: softcover Category: Inboards, Gas & Diesel

Watching the kite ascend higher into the sky, ten-year-old Raghav felt butterflies run deep down his gut, inflating his desire to fly high in a supersonic jet. His kite, entangled with another, crashed onto the ground. The flight took off smoothly from the runway of her heart, only to be hit by turbulence and thunderstorms smashing the plane into an abandoned sea full of gloominess. There he saw a lighthouse, a ray of hope. She became his lifeguard and taught him to swim through the storm. Like a guiding angel, she enlightened him towards the path of self-discovery leading to his journey to the island called 'Bollywood.' Raghav rode on a roller coaster encompassing love, passion, and conflicts. Hopping from one town to another in search of his purpose, he landed in the city of love and lights, Paris, where he saw the horizon, an illusion of his world merging with hers. But just like the two poles on Earth never meet, so was his destiny. On one side, he had Diya whom he could never get, and on the other side was Niharika whom he could never lose, and in the midst of all the chaos, he found his treasure. Come along with him to discover his hidden treasure. Who knows! You might find yours too.

On 3 September 1939, Amy Browning decided to start writing a diary. It was a momentous day for so many reasons: it was Amy's eighteenth birthday; her sister had just given birth to a baby boy; and on the radio it was announced that Great Britain was now at war with Germany. For a while, life didn't change very much for Amy. Living with her family in Opal Street, Liverpool, Amy and her friend both got jobs at a factory and spent their free time looking round the shops, or watching the ships being loaded at the docks. But as the months went by, things began to change. The bombing started, and Amy's fears grew for her brother, fighting in France, and her boyfriend Ian, in the RAF...

The first major book on Japanese textile artist Itchiku Kubota, published to accompany a touring exhibition.

This title examines the history of the Washington Redskins, telling the story of the franchise and its top players, greatest games, and most thrilling moments. This book includes informative sidebars, high-energy photos, a timeline, a team file, and a glossary. SportsZone is an imprint of Abdo Publishing Company.

Family is everything...unless they want you dead. Sweet little Emma Jennings is certain someone is robbing her vast estate, and she wants Kylie Hatfield on the case. Sure, an embezzlement case might be boring-boring and Kylie don't mix-but Kylie feels for the octogenarian and pledges to right the wrong. She's certain that she can. She's just been promoted to Assistant PI of Starr Investigations, after all. When embezzlement turns to murder, Kylie is once again tossed into a situation she isn't prepared for, and her personal life isn't much better. Sexy Linc Coulter, her Newfoundland's trainer and her friend with benefits, is facing demons of his own. As her search for answers to Emma Jennings's case grows more dangerous, Kylie is beginning to suspect that she might indeed be a magnet for trouble-and killers. Even worse, she also suspects that she might be Linc Coulter's greatest downfall. If you like your murder mysteries with a dose of romance, humor, and a few good gods, Deadly Lies, the second book of the compelling Kylie Hatfield Series, will tug at your heartstrings even as you pull the covers over your head.
