Los hermanos gemelos Lia y Will comparten su vida en a mansión familiar de New Haven con una madre que vive aislada en su estudio escribiendo novelas de terror y un padre ausente. Pese a la estrecha relación que mantienen desde niños, con los años, su personalidad los convertirá en dos personas muy distintas: una, Lia, alegre y desesperocupada, y el otro, William, siempre con la sensación de no encajar en el mundo. El día que ambos entierran a su madre, Will desaparece misteriosamente sin dejar rastro, pero cinco años después, Lia descubre en una exposición el retrato de un escritor de comienzos del siglo XIX, concido por el seudónimo de Escorpión y que es la viva imagen de su hermano. Una feliz casualidad le abrirá a Lia las puertas para embarcarse en una aventura única y fascinante, un viaje al pasado con la esperanza de encontrar a su almagemela y también a sí misma.

A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece," *The Book of Strange New Things* is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings—his Bible is their "book of strange new things." But Peter is rattled when Bea's letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea's faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made *The Crimson Petal and the White* such an international success, *The Book of Strange New Things* is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

The mega bestselling book that started the heaven publishing phenomenon is now a major motion picture starring Hayden Christensen and Kate Bosworth and produced by Michael Polish. Don Piper's incredible true story continues to expand its reach to more people than ever before. After a semi-truck collided with Don Piper's car, he was pronounced dead at the scene. For the next ninety minutes, he experienced the glories of heaven. Back on earth, a passing minister felt led to stop and pray for the accident victim even though he was told Piper was dead. Miraculously, Piper came back to life, and the pleasure of heaven was replaced by a long and painful recovery. This special edition of Don's life-changing story includes a new preface from Don about the making of the movie, plus a personal update on the impact the book has had on him, his family, and the millions who have already heard his story. It also includes a note from the publisher, stories from readers, and Scriptures and quotations on heaven.

The decisions that we make, as small as they may be, set the course of our life. When Nora Clayton, a magnificent executive vice president of an important pharmaceutical Company in New York, has to fire ten thousand workers who will be substituted with sophisticated machines, she triggers the rage of Bonnie Larson, a woman who is invisible to society, but who comes from a long line of evil witches. After a long time of not having used her magic, she decides to curse Nora, who will watch how her life takes a 180o turn. The people she shares her comfortable life with don't recognize her, her luxurious apartment on the Upper East Side no longer belongs to her and the only option she is left with is returning to Kutztown (Pennsylvania), her hometown, and to redo the inexistent relationship with her mother and live a life she had not chosen. A story about parallel worlds, about the decisions we don't make, about memories, life, love and, in the end, fate. A lesson on life in every page.

A Brief Story Of Those That Leave. A play on words that becomes an addiction and has conquered all those that delve into it. WORDS is not a love story. It is a story of falling out of love. When Emma thinks she has the perfect life she has always dreamed of, Diego, the love of her life and the man she is about to marry, leaves her for another. He packs his bags and simply leaves, as if Emma's feelings were worth nothing. Months later, still heartbroken and not able to see a way out of her deep sadness, Emma decides to go to Silvia's office, a reputable psychologist in Barcelona who has unusual methods. Our protagonist needs to live again and above all, regain her self-confidence. Silvia suggests Emma a game of nine words. Each word will be a part of the story of Emma and Diego. Each word will make Emma open her eyes and understand that her relationship was not the fairytale she thought, nor was Diego the perfect man she saw. Each of the NINE words will be key for Emma to see that there is life after a breakup and that destiny can surprise us. This is a short tale you will read a thousand times, personal and unique, that talks about those that leave and break our heart a little. The thing is: One always remember those kisses in which everything is forgotten. Let yourself be seduced by some WORDS you will never forget, and perhaps they will belong to you too.

People are seeking the answer to the confusion, the moral sickness, the spiritual emptiness that oppresses the world. We are all crying out for guidance. For comfort. For peace. Is there a way out of our dilemma? Can we really find personal peace with God? Yes! But only if we look in the right place. The Key to Personal Peace not only includes trusted Biblical insights from renowned evangelist Dr. Billy Graham, but also includes the full gospel of John, making the book a perfect gift for evangelism or outreach. The Key to Personal Peace offers a look into how to live life in the fullness of God. Sections include: The Great Quest Our Dilemma What is God Like What Did Jesus Do for Us? Finding the Way Back Peace at Last Heaven, Our Hope Note: Must be ordered in multiples of 50.

After her cousin Ashton breaks up with her popular boyfriend, Sawyer Vincent, Lana tries to win over his heart, but Sawyer may only be interested in her to make Ashton jealous.

A laird trapped between centuries... Enchanted by a powerful spell, Highland laird Drustan MacKeltar slumbered for nearly five centuries hidden deep in a cave, until an unlikely savior awakened him. The enticing lass who dressed and spoke like no woman he'd ever known was from his distant future, where crumbled ruins were all that remained of his vanished world. Drustan knew he had to return to his own century if he was to save his people from a terrible fate. And he needed the bewitching woman by his side.... A woman changed forever in his arms... Gwen Cassidy had come to Scotland to shake up her humdrum life and, just maybe, meet a man. How could she have known that a tumble down a Highland ravine would send her plunging into an underground cavern — to land atop the most devastatingly seductive man she'd ever seen? Or that once he'd kissed her, he wouldn't let her go? Bound to Drustan by a passion stronger than time, Gwen is swept back to sixteenth-century Scotland, where a treacherous enemy plots against them ... and where a warrior with the power to change history will defy time itself for the woman he loves....

When you think you know all the answers, the universe comes and changes all the questions. Discover what happened in Tuscany: A unique and special story that will conquer and delight the most romantic readers. Alice Morgan is a writer of romantic novels in her forties, whose inspiration has abandoned her since she divorced Jack. She doesn't get used to her new life without him and her teenage daughter, who many times seems to want to make his life impossible. Mark Hope is a reputed chef and owner of various restaurants, but a bad critic can destroy what has mattered most in life so far: his career. Alice and Mark meet because of her literary agent and his sister: Cindy Hope. She organizes a disastrous date in New York that ends earlier than expected. What they could never imagine, is that, Alice and Mark together with her teenage daughter, end up in the same family home of the Hope family, located on a beautiful hill of Montepulciano (Tuscany) because of a "confusion" of Cindy. Enticing characters will join a delightful story, full of surprises and great moments. The voices of Alice and Mark intermingle, making us believe that second chances really do exist and they may be better than we expected, despite the consequences.

La rutina de Andrea, una escritora de thrillers traumatizada por un horrible suceso del pasado y un matrimonio que está a punto de romperse, se ve interrumpida por la inesperada llegada de su cuñado. Mario es un tipo silencioso y extraño del que no sabe nada. Su manía de fisgonear a través de la ventana de la cocina la vida de sus vecinos, la llevará a descubrir que una madrugada estival cualquiera, en la calle de la urbanización en la que vive y donde nunca pasa nada, su vecina María se sube en el coche de su cuñado. El vuelve, pero María no. ENGLISH DESCRIPTION Andrea's routine, of writer's block and a marriage about to break, is interrupted by the unexpected arrival of her brother-in-law, Mario. He is silent and strange. One night, through the kitchen window, she sees her neighbor Maria getting into Mario's car. He returns but Maria doesn't.
