Leap In: A Woman, Some Waves, and the Will to Swim is Alexandra Heminsley's memoir of learning how to swim the front crawl, as well as a bit of a general cul. As I stumbled upon this book around the time of its paperback release on International Women's Day, I picked it up mostly out of curiosity.

Leap In: A Woman, Some Waves, and the Will to Swim by ...

Heminsley (Running like a Girl), books editor for Elle UK, explores the world of amateur open-water swimming in this thoughtful memoir and how-to guide for the novice swimmer. Heminsley had a fear of open water, but the excitement of getting married motivated her to "leap in" to the sea on her wedding day in Brighton, England.

While "Leap In" was inspiring, it didn't quite match Hemmo's previous book. It was a great read, and I loved the section at the end where the author recommended swimming drills and equipment. Plus, as a woman who started swimming at age 40, it was very helpful to hear the author's real life explanation of things like getting on a wetsuit, why ...
