Liz Kowalski is heading home to Whitford, Maine—this time for good. Eager for her family, a fresh start and some fun, she doesn't count on being rescued by the chief of police her very first night back in town. Drew is everything she's not looking for...so why is she still so attracted to him? After a brief, forbidden rendezvous at her brother's wedding, Drew Miller expects Liz to return to New Mexico and stay there. He's searching for someone to settle down with, not a casual fling with his best friend's sister. But when they're stuck together on the annual Kowalski camping trip, things start going a little sideways. Keeping their hands off each other proves just as impossible as keeping their secret from becoming public knowledge. Amid family, mud and melted marshmallow, Liz and Drew try to fight what's growing between them. But a little time alone, a lot of chemistry and too many opinions might be just what it takes to bring together two people so determined not to fall in love. 74,000 words

With the pressure on after his success in Gaol, Eli Monpress, professional thief and degenerate, decides it's time to lie low for a bit. Plagued by a demon's voice in her head and feeling powerless, she only sees herself as a burden. Everyone's holiday comes to an untimely close, though, when Pele arrives to beg Eli's help for finding her missing father. But there are larger plans afoot than even Eli can see, and the real danger, and the solution, may lie with one of his own and her forgotten past. If only Nico could remember whose side she's on.

If you've ever been intrigued by the tarot but were confounded by the complexities of multi-card spreads and the vague interpretations given in most books, this is the guide for you. Here is a real breakthrough in interpreting the tarot! With *Tarot Made Easy* you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose one tarot card and then consult one (or several) of the 32 categories listed under each card -- including Romance, Travel, Career, Finances, Friends, and Special Guidance -- to discover the card's specific message for you. For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is "an honest, devoted woman; loving intelligence and happiness." How should you interpret this? But with *Tarot Made Easy*, the Queen of Cups Romance category tells you that "someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door." This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need.
