by Paul Gionfriddo; New York, Columbia University Press, 2014, 247 pages. Paul Gionfriddo's exposé Losing Tim sheds light on the failure to anticipate unintended consequences of a seemingly well-intended policy. As a former state policy maker for the state of Connecticut, Mr. Gionfriddo played a role in the policy to minimize the role of large psychiatric institutions and transition patients to community mental health centers, halfway houses, schools, and supported workplaces.

~~Losing Tim: How Our Health and Education Systems Failed My ...~~

Gionfriddo takes stock of the numerous injustices that kept his son from realizing his potential from the time Tim first began to show symptoms of schizophrenia to the inadequate educational supports he received growing up, his isolation from family and friends, and his frequent encounters with the juvenile justice system and, later, the adult criminal-justice system and its substandard mental health care. Tim entered adulthood with limited formal education, few work skills, and a chronic ...

~~Losing Tim: How Our Health and Education Systems Failed My ...~~

Losing Tim shows that people with mental illness become homeless as a result not of bad choices but of bad policy. As a former state policy maker, Gionfriddo concludes with recommendations for reforming America's ailing approach to mental health.

~~Losing Tim | Columbia University Press~~

Paul Gionfriddo's son Tim is one of the "6 percent"—the percentage of all Americans with serious mental illness. He is also one of the half million homeless people with serious mental illnesses in desperate need of help yet often underserved or ignored by our health and social-service systems. In this moving, detailed, yet clear-eyed exposé, Gionfriddo describes how Tim and others ...

A new area of research, we now know that gut health is central to our health and wellbeing. We're kicking off our three-part gut-health special with bestselling author and leading British gut guru – Professor Tim Spector. In his book, *The Diet Myth*, Tim shared that the key to health and weight loss lies not in the latest fad diet, nor even in the simple mantra of 'eat less move more', but in the microbes already inside us. Listen in as Tim shares the magic of the microbiome and what ...
