The Treasures program is building brighter futures for all students in K-6 Reading/Language Arts. This all-new comprehensive, research-based reading program offers a wealth of high quality literature to engage learners. Explicit instruction and ample practice ensure students' growth in reading proficiency. Each week's lesson integrates grammar, writing, and spelling for a total language arts approach. - Publisher.

---

Hardbound Pupil Editions for Grades 1-6 are organized into four units-Life, Physical, Earth, and Human Body sciences. An age-appropriate workbook is available for Kindergarten students.

California Treasures is a research-based reading and language arts program for Grades K-6 that: builds a lifelong love of reading through explicit systematic instruction coupled with time-honored classics, contemporary nonfiction, and rich literature; addresses the four key aspects of language arts every day; listening, speaking, reading, and writing; integrates print resources with digital resources providing teachers with options for teaching styles; offers an equitable parallel Spanish program, California Tesoros de lectura; follows California's revised English language development standards by incorporating the required English language support into the program and providing a complete English language development component to assist students transitioning into English.
