Room Design Ideas for October 2020 ...

Making Room is a therapeutic decluttering service for people with hoarding behaviour. Our approach is different from traditional initiatives as we focus on long-term behaviour change. This means we don't do blitz cleans as they can be traumatic for service users.

Read Free Making Room

Instead, we use motivational interviewing techniques to support service users to address their concerns, identify goals and make decisions about decluttering with support from key people such as family and friends.

Instead, try buying a set of cheap hangers and then customising them so they match your room. Add sequins, cover them with fabric or spray paint them gold for a luxurious touch

14. Add some greenery. There's not much to this trick, we'll admit, but adding a few plants here and there is an easy way to bring life to a room.

For Fun In The
Workplace

constant heckling, often with no clear outcome or decision. Is this the best democracy can offer? In *Making Democracy Fun*, Josh Lerner offers a novel solution for the sad state of our deliberative democracy: the power of good game design. What if public meetings featured competition and collaboration (such

as team challenges),
clear rules (presented
and modeled in multiple
ways), measurable
progress (such as scores
and levels), and
engaging sounds and
visuals? These game
mechanics would make
meetings more effective
and more
enjoyable—even fun.
Lerner reports that
institutions as diverse as

Read Free Making Room

the United Nations, the U.S. Army, and grassroots community groups are already using games and game-like processes to encourage participation. Drawing on more than a decade of practical experience and extensive research, he explains how games have been integrated into a variety of public programs in North and

Read Free Making Room

South America. He offers rich stories of game techniques in action, in children's councils, social service programs, and participatory budgeting and planning. With these real-world examples in mind, Lerner describes five kinds of games and twenty-six game mechanics that are

Read Free Making Room

Especially relevant for
democracy. He finds
that when governments
and organizations use
games and design their
programs to be more
like games, public
participation becomes
more attractive,
effective, and
transparent. Game
design can make
democracy fun—and
make it work.
