2 Managerial Accounting, 17th Edition Self-imposed budgets do carry with them the risk of budgetary slack. The budgets prepared by lower-level managers should be carefully reviewed to prevent too much slack. 8-9 The direct labor budget and other budgets can be used to forecast workforce staffing needs. Careful planning can help a

International Accounting can be viewed in terms of accounting issues uniquely confronted by companies involved in international business. It also can be viewed more broadly as the study of how accounting is practiced in each and every country around the world, learning about and comparing the differences in various accounting methods.

Clear. Accurate. Current. The new twelfth edition of Financial and Managerial Accounting: A Basis for Business Decisions unites this texts long-running standard of excellence with a thorough revision reflecting contemporary concepts and issues in accounting. The managerial accounting section has been expanded making this book appropriate for the 50/50 split accounting principles courses that employ a corporate approach. The hallmarks of this text continue to be exceptional balance between the preparer and user points of view, excellent real-world examples that do not distract students from the text narrative, and clear writing style. This is a reflection of the authors and their well-known dedication to accounting education.

You'll find the tools you need to help work through end-of-chapter assignments with these working papers. The preformatted files provide a starting point by giving you a basic structure for journal entries and problems.

The basic approach to teaching taxation hasn't changed in decades. Today's student deserves a new approach. McGraw-Hill's Taxation of Individuals and Business Entities continues to be a bold and innovative new textbook that has generated enthusiasm across the country. With over 120 adoptions in the first edition alone, McGraw-Hill's Taxation Series is designed to provide a unique, innovative, and engaging learning experience for students studying taxation. The breadth of the topical coverage, the storyline approach to presenting the material, the emphasis on the tax and nontax consequences of multiple parties involved in transactions, and the integration of financial and tax accounting topics make this book ideal for the modern tax curriculum.

Managerial ACCT is an accessible, easy-to-read text that covers the principles of Managerial Accounting. The 4LTR press approach to learning the principles of Managerial accounting, Managerial ACCT is the Asia-Pacific edition of a proven, innovative solution to enhance the students' learning experience. Concise, yet complete, coverage supported by a suite of online learning aids equips students with the tools required to successfully undertake an introductory financial accounting course.

Give your students a solid foundation in core accounting concepts while helping learners develop a true appreciation for why accounting is important to business and a prosperous society. Warren/Reeve/Duchac 's FINANCIAL AND MANAGERIAL ACCOUNTING, 14E clearly demonstrates how accounting is much more than simply data and black and white rules. Instead, students see how accounting provides key information used to make critical business decisions. A new chapter schema provides context for how each chapter 's content fits into the big picture. The book focuses on why accounting is important and consistently reinforces connections to the big picture by connecting journal entries to the accounting equation. Fresh organization progresses from the simplest to the more complex topics with reorganized and fully integrated coverage of the new Revenue Recognition standard, reorganized coverage of adjustments, and reorganized managerial accounting chapters Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Introduction to Managerial Accounting, 4/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed. B/G/N has been rethought and retooled to meet the needs of the market. B/G/N 4/e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.

Discover the managerial accounting text written to complement the way you study and learn! CORNERSTONES OF MANAGERIAL ACCOUNTING, 3E, uses a unique framework to show you the key concepts, or "Cornerstones," of accounting. As you come to understand these fundamental calculations, you will develop critical problem-solving skills to make real business decisions.
