Are you expecting mystery, sensuality,  
wonder, and delight? If you're pregnant,  
you should be!

Finding out you are pregnant is a  
momentous event for parents. From the  
start there are so many vital things to learn

## Read Online Midwifery Hardcoverchinese Edition

and with so much information available parents don't always know where to turn. This book gathers the expertise from a panel of scientists including Professor Robert Winston, dieticians and obstetricians and offers up-to-date information on what is happening to you and your baby as the pregnancy progresses. The advice given helps parents make the right decisions for themselves and for their growing baby. Looking at a range of subjects such as nutrition, antenatal tests, pregnancy ailments, preparing for birth, birth and the first dew days, each chapter is structures around common questions asked by parents-to-be. Amongst many others, the areas covered include: what you can do to increase your chances of a healthy and safe pregnancy; the pros and cons of different birth plans; how and why your body changes during pregnancy; birth choices; the first feeds

## Read Online Midwifery Hardcoverchinese Edition

and bonding with your baby in the early hours and days. The Essential Pregnancy and Birth Guide is the second in the series of reference books compiled by The Essential Parent Company and advised by Professor Robert Winston. With tips, lists of do's and don't and case studies, this book gives you everything you need to know to make your pregnancy as enjoyable and trouble-free as possible.

Eating a healthy diet while expecting is among the most important things you can do for the present and future health and well-being of your child. The All-New Complete Pregnancy Cookbook makes this simple to achieve and helps pregnant women get the nutritional boost they need without a lot of fuss and bother. Now this completely revised edition includes a host of new and flavourful recipes, the latest nutritional advice and recommendations,
