In short, Yes. Overtraining Solution was designed to help those who train heavily. During intense training the body's immune system and recovery tend to slow down so by taking O.S. you boost the body where it needs it most. But O.S. can also help the regular person stay healthy. You do not need to train intensely to get the benefits of O.S.

Overtraining. The first video that I had seen of Mike Rashid was his overtraining chest workout. Mike wanted to change the definition of overtraining and the negative connotations attached to it. Overtraining is generally seen as working out too hard, spending too much time in the gym, or not taking enough rest days. Overtraining is accommodated with symptoms such as persistent muscle soreness, loss of strength, increase incidents of injuries, and sleeplessness.
