A chance encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new British Billionaires series....I am the type

of woman who always plays it safe. In my professional life as a public relations "fixer", and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that's what I thought...until I met him. Damian No-Last-Name-Given is sexy as sin, and I'd developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I'd ever done in my entire life. I kissed him while everyone else in business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my

office the very next day to apologize, and to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness.

Four bossy billionaires have met their matches in these four steamy sweet interconnected romances. This collection includes the books of Gia's Billionaire Boy's Club series in one volume. She's Mine - Angel
The first thing I learned about West St. Vincent, was the size of protection he used. Extra extra large, if you're curious. I also learned that he usually dated willowy blondes with a surgery face, vapid expressions, and a vomit-worthy tendency to simper at his feet. My name is Angel DeMarco, and I've never simpered. A simple fact that's about to get me in a whole lot of trouble. Already His - Mia
I'm the good girl. I work hard, go home for lunch on Sunday, and never, ever forget myself in the back of a town car with a taciturn billionaire lawyer who just happens to be the best man to my maid of honor. Yep, that didn't happen, and even if it did... it doesn't matter, because I've got an arranged date to focus on and a job measuring inseams to get back to. So what if Elliot Winter is the hottest, bossiest alpha male to cross my path in forever. I'm the good girl...right? Bought and Paid For - Jack
They call me the blue-collar billionaire, a self-made man who hates people... they might be right. But when I see Clara, I don't care about any of that. I have to

have her, even if it means bidding on her at auction. She's blue-blood and refinement, manners and poise, and when she says we are from different worlds, I don't care. Clara is everything I want. No one sees the real her as I do. I want to worship and adore her, but first, I need to show her that I mean what I say... And I say she's mine. Until Her - Greyson It started with a ruse. It was just a game, a play, a way to land a new client and then... Tessa walked into my office. With a body made to be touched, and an innocent smile that destroyed me, I knew in that moment I would do anything to make our little game a reality. I want my ring on her finger and I won't let anybody stand in my way. She doesn't see herself clearly, she has no idea of her allure and I'm going to show her just how special she is. Getting her to pose as my fiancé is just the start. Now I have her, I'm not letting her go. Extra steamy. No cliffhanger. HEA guaranteed. If you like OTT billionaires who fall fast and hard for a lucky girl and take no excuses or prisoners in their pursuit, then follow me and never miss a release!

When it comes to getting what he wants, Asher Barrington is a hammer who is known for crushing his opponents. From the moment Emily walks into his office and challenges him, winning takes on a whole new meaning. The only thing standing between Emily Harris and her goal to open a museum for the blind is an arrogant, sexy as hell billionaire, who thinks sleeping with her will not complicate the situation. He won't change. She won't back down. But together they sizzle.

Down on her luck, nursing student and full-time waitress Kara Foster gets a massive blow to her already desperate financial situation that will surely find her living on the streets. Needing nothing less than a miracle to save her, Kara gets rescue from an unknown, unlikely and overwhelming source. Billionaire Simon Hudson makes her an offer that is impossible to refuse, but terrifying to accept from a man that

she's never met. Will the handsome, alpha billionaire really be a solution to her problems, or will he end up being a major complication and a danger to her emotional sanity? Reclusive billionaire Simon Hudson would rather be behind a computer creating computer games than rubbing elbows with the elite and he knows exactly what he wants...until he meets Kara Foster. Something about Kara touches Simon in ways he's never experienced and definitely doesn't like. For over a year, Simon watches over Kara, but stubbornly refuses to admit his desire to possess her, not even to himself. But when she ends up in a situation that could very well be her destruction, Simon steps up to help her, not realizing that in saving Kara, he might very well be salvaging his own soul.
