Dean, Alex, and the other survivors of the Monument 14 have escaped the disaster zone and made it to the safety of a Canadian refugee camp. Some of the kids have even been reunited with their families and are making tentative plans for the future. Then, Niko learns that his lost love, Josie, has survived ... For Josie, separated from the group and presumed dead, life has gone from bad to worse. Trapped in a terrible prison camp with other exposed O blood types and traumatized by her experiences, she has given up all hope of rescue. Meanwhile, scared by the government's unusual interest in her pregnancy, Astrid - along with her two protectors, Dean and Jake - flees the camp to join Niko on his desperate quest to be reunited with Josie. In a stunningly fierce conclusion to the Monument 14 trilogy, author Emmy Laybourne ups the stakes even more for a group of kids who have already survived the unthinkable. Can they do so one last time? 'Monument 14 is raw, honest, gritty, and full of emotionally taut storytelling. I had to hug so many kittens after reading it that the pet store asked me not to come back.' Lish McBride, author of Hold Me Closer, Necromancer 'Riveting' New York Times

Pam Wedgwood has been inspiring teachers and pupils through her work in music education--as composer, teacher and performer--for more than thirty years. In this piano method book for the older beginner, she has arranged a mix of familiar classical and traditional themes interspersed with her innovative original compositions. Music theory and terminology with lots of emphasis on chords is included. This piano method book uses the British system of terminology for rhythmic values such as "crotchet" for quarter note.

Parenthood is one of the most challenging and rewarding experiences most of us will ever have! But in the middle of busy days, runny noses, and carpooling, we sometimes forget to enjoy the journey. Dr. James Dobson, founder of Focus on the Family, is here with answers, insight, and solutions to one of the biggest challenges every parent encounters: discipline. Essentials of Discipline features the most up-to-date research on parenting, humorous animated vignettes, "mom (and dad) on the street" interviews, and the kind of practical, approachable teaching that can only come from America's most trusted authority on parenting issues, Dr. James Dobson. As you lead an Essentials of Discipline study and discussion group, you'll be helping other concerned adults acquire the practical understanding, dynamic biblical principles, and encouragement they need to shape their child's will without breaking his or her spirit, and feel confident in the ability to handle discipline in a positive way.

Jared Bark: Photobooth Works and Performance Videos, 1969-1976 is published on the occasion of Bark's Fall 2015 exhibition by the same name at Southfirst gallery (Brooklyn, New York) and Sarah Lawrence College (Bronxville, NY). The pamphlet consists of four previously unpublished texts: two descriptions of Bark's performance work (LIGHTS: on/off, 1975, at the Idea Warehouse, NY, and Zero-G, 1976, at the Whitney Museum of American Art) by theater historian Stefan Brecht, a letter by Jared Bark to the documenta 6 performance curator Joachim Diedrichs, and an essay by exhibition curator Maika Pollack. The publication's texts connect the legacy of serial photography with downtown performance and dance in New York during the late 1960s and early 1970s.
