I am Amanda Green, author of 'My Alien Self - My Journey Back To Me' and the sequel '39'. 'My Alien Self - My Journey Back To Me' is my memoir which follows my journey through travel, excitement, normality and mental illness to find myself again. '39' is about what happened afterwards, the year before reaching the prime age of forty, family relationships, love and memories.

OCLC 657172683. A Journey is a memoir by Tony Blair of his tenure as Prime Minister of the United Kingdom. Published in the UK on 1 September 2010, it covers events from when he became leader of the Labour Party in 1994 and transformed it into " New Labour ", holding power for a party record three successive terms, to his resignation and replacement as Prime Minister by his Chancellor of the Exchequer, Gordon Brown.

A Journey - Wikipedia
My Journey The day I decided to get help was the first day of the rest of my life. Throughout my 20's I was always one for partying, socialising and just generally being a complete wreck head. I found I could never hold down a job because I'd be hungover pretty much everyday and my...
