Neuroradiology Companion: Methods, Guidelines, and Imaging ...

Neuroradiology Companion: Methods, Guidelines, and Imaging Fundamentals is the third edition of this paperback book that has slowly become a “must read” for all radiology residents before the start of their first neuroradiology rotation. As in the other editions, the author has achieved the goal of distilling the most basic and important material in neuroradiology into a concise book that can be easily read in a few hours.
