After bringing down the Lightning Nest, the heroes of THE RAT AND THE RAVEN have returned to the University, only to find it deserted and the gates locked. Dismas, who can break any lock, opens the outer door and they gain entry, but then they find that they are locked in and now not even Dismas can open the doors. Who is Emmanuel and how is it that he seems able to control their thoughts? Locked in the tower, the Ravens must fight to defend everything that is most precious – their very humanity is at risk. Emmanuel wants desperately to become human and needs to overwhelm and inhabit them to ensure his own survival.

For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.
