The Introduction to Olympus E-5 Manual When it comes to the question of what is the most important part of an electronic product especially digital camera product, we say it is the manual. It is because with the manual, both users and enthusiast will be able to get the needed information about a certain product.

*Olympus E-5 Manual Instruction, FREE Download User Guide PDF*

The E-5 is, without a doubt, a camera aimed at the Olympus faithful, designed (as described to us) to 'finally offer image quality to match that of Zuiko lenses'. Olympus knows that the E-system lenses are the jewel in its crown and isn't going to abandon that - or its users.
