Accurate, authoritative, and comprehensive, Optics, Fourth Edition has been revised to provide students with the most up-to-date coverage of optics. The market leader for over a decade, this text provides a balance of theory and instrumentation, while also including the necessary classical background. The writing style is lively and accessible.

Hecht, Optics / Pearson

With only limited exaggeration - notable among man's achievements is Hecht's new 4th edition of Optics. The first edition was the central (and only) text assigned in junior year optics for physics majors at many universities in the 1980's. As a near adolescent I was pleased by expert writing and well delivered humor in those far off years of college life. The wonders of electromagnetics ...

Hecht 4th Ed Optics Pdf 49

In 1975 Hecht wrote the text Theory and Problems of Optics for Schaum's Outlines. In 1977 he began writing about polarization. For the second edition of Optics in 1987 Hecht was the sole author. A third edition was published in 1998, and the fourth in 2001.
