Portraying the Lady: Technologies of Gender in the Short ...

Portraying the Lady brings to light the experimental quality and inherent consistency of stories that have received little critical attention, all of which revolve around ideas at the core of the cultural representation of femininity at the time. Izzo shows how James, by testing and stretching these ideas in his imagery and plots, exposed and exploded the perverse logic and the ultimate implications of such culturally shared versions of femininity, thus revealing their oppressive quality for ...
