Until the end of time, when the curse of sin is finally removed, suffering will be a large part of the human experience and a large part of that suffering will be walking through the painful reality of death. 'Death,' writes Paul Tautges, 'provides a natural opportunity not only for ministry to others, but also for personal growth in ministers.' Those who shepherd others through the pain and loss that accompanies death should seek to offer wise and biblical counsel on these precious and painful occasions. This book is a

How Do You Care for the Sick? Here's How. One of the marks of the ministry of Jesus is his compassionate care for the sick. Jesus brought healing and hope to individuals struggling with life-debilitating illnesses. Ministry to the sick should also be a mark of his followers, but in many churches today it is neglected or pushed to the periphery of ministry concerns. To counter our modern

have been “called” to do what they do. But what does that mean? Who does the “calling,” and how is it received? In *Prepare Them to Shepherd*, pastor Brian Croft unpacks the biblical model for preparing individuals for full-time ministry. In the past, training and sending individuals into full-time pastoral ministry and missionary work was viewed as the responsibility of the local church. Today, much of that responsibility has been delegated to Bible colleges, seminaries, and parachurch and mission organizations. The aim of *Prepare Them to Shepherd* is to challenge local churches to recover the biblical model

Churches therefore need to learn how to pray. But who will teach them? In this book, Paul Tautges convinces his readers that teachers and church leaders must not only tell their flocks to pray-they must also teach them how to do it. They must habitually instruct them in the biblical principles, examples, and commands concerning a life of prayer. In short, churches need a biblical theology of prayer. And leaders need a practical tool to help them produce an atmosphere of God-dependency in their churches. Teach Them to Pray is that tool. Book jacket.
