Principles of Language Testing. Created Nov 11, 2003 | Updated Oct 4, 2010. 1 Conversation. There are as many different tests of foreign language skills as there are reasons for testing them. That is to say, a lot. However, one thing that holds true for any test is that there is no such thing as perfection. Human fallibility has a part to play there, but it is also a result of the need to bear in mind certain principles when constructing a test, principles which have within them certain ...
