A practical guide to getting personal investing right Somewhere along the way, something has gone very wrong with the way individuals save and invest. Too often, households are drawn in by promotional suggestions masquerading as impartial investment advice. Consumers get saddled with more risk than they realize. Authors Zvi Bodie and Rachelle Taquu understand the dilemma that today's investors face, and with Risk Less and Prosper they will help you find your financial footing. Written in an accessible style, this practical guide skillfully explains why personal investing is all about you—your goals, your values and your career path. It shows how to understand investment risk and choose the particular blend of risk and safety that is right for you. And it lays out several simple yet powerful ways for small investors to cast a reliable safety net to achieve their financial goals and truly prosper. Coauthors Bodie and Taquu challenge the myth that all investments require risk, then highlight some important risks that families often disregard when deciding where to put their money. Later, they connect the dots between investment and investor, showing us all how to grasp our own investment risk profiles and how we may use these insights to make more fitting investment choices. Outlines a straightforward way to invest by aligning your investments with your goals and the risk levels you can bear Provides basic investment abc's for readers who are otherwise literate Lays out a simple, actionable plan for achieving your goals Explains the role of risk-free assets and investment insurance in assuring that you reach your most essential goals Contrary to popular belief, investing doesn't have to be complicated. You can build wealth without taking great risks. Risk Less and Prosper will show you how to make investment decisions that will make your financial life less stressful and more profitable.

How Can You Come into New Levels of Prosperity? Many Christians have given their time and money for the sake of the Gospel. Some have given for years without seeing their own personal, social, and financial outlook change. Others who have enjoyed prosperity have even greater levels of blessing in store for them. We know from the Word of God that our heavenly Father desires His children to do well and that when we give, it is given back to us abundantly. Why then do so many Christians still struggle to receive all of God's promises? In this book, Joyce Meyer reveals an important basic principle and shows you how to experience God's power in your own life. Discover: Why joyful giving ensures future blessings How planting more seeds lets you meet more needs Why complaining and envy steal God's bounty How certain Scriptures will increase your harvest. Find out how to nurture the seed you sow and prepare to prosper!

Want to make twice as much money with half the work? It's time to shift your mindset, recognize your worth, and become a successful entrepreneur on your own terms! ' Denise is a much-needed voice of practical wisdom. ' Marie Forleo, founder of B-School Feeling burned-out by your business? Sick of the ' hustle and grind ' culture of your industry?
