[PROTOTYPE] - marketplace.xbox.com

Bought this game because it was fantastic on the 360, thought I'd buy it again & just play it on the Xbox one but it's not backwards compatible so it won't install or play, you can download an Xbox one version of this game on the console for £19.99 (which looks exactly the same as the original in terms of quality....) So they've not offered BC on the original game so that they can do a cash ...
