Volume 2 proves why it was a good idea to take the originaly QQ Sweeper in a different direction, renaming it Queen's Quality and changing the premise. Where before it was two kids battling demons who dirty people's minds, now it is about Fumi having a secret ability and history that is intrinsically linked to Kyutaro.

OMG Queen's Quality is the best book I ever read! The story is great and the conflict is mysterious. I'm currently on volume 2. I ordered all of them, #5 is preordered. I recommend getting all of the books. When I'm done reading all of the books I'm going to mail the author to tell her how great her books are.
