A wildly original, fantastical adventure—and now an animated move, *Jack and the Cuckoo-Clock Heart*—this international bestseller will charm readers of all ages. Edinburgh, 1874. Born with a frozen heart, Jack is near death when his mother abandons him to the care of Dr. Madeleine—witch doctor, midwife, protector of orphans—who saves Jack by placing a cuckoo clock in his chest. And it is in her orphanage that Jack grows up among tear-filled flasks, eggs containing memories, and a man with a musical spine. As Jack gets older, Dr. Madeleine warns him that his heart is too fragile for strong emotions: he must never, ever fall in love. And, of course, this is exactly what he does: on his tenth birthday and with head-over-heels abandon. The object of his ardor is Miss Acacia—a bespectacled young street performer with a soul-stirring voice. But now Jack's life is doubly at risk—his heart is in danger and so is his safety after he injures the school bully in a fight for the affections of the beautiful singer. Now begins a journey of escape and pursuit, from Edinburgh to Paris to Miss Acacia's home in Andalusia. Mathias Malzieu's *The Boy with the Cuckoo-Clock Heart* is a fantastical, wildly inventive tale of love and heartbreak—by turns poignant and funny—in which Jack finally learns the great joys, and ultimately the greater costs, of owning a fully formed heart.

Contract killer Toby O'Dare accepts a seraph's offer to leave his violent existence in order to save lives, and finds himself transported to thirteenth-century England and challenged to defend falsely accused Jewish citizens.

Approaching the 500th anniversary of Leonardo's death, the world-renowned da Vinci expert recounts his fifty-year journey with the work of the world's most famous artist. A personal memoir interwoven with original research, *Living with Leonardo* takes us deep inside Leonardo da Vinci scholar Martin Kemp's lifelong passion for the genius who has helped define our culture. Each chapter considers a specific work as Kemp offers insight into his encounters with academics, collectors, curators, devious dealers, auctioneers, and authors—as well as how he has grappled with legions of “Leonardo loonies,” treaded vested interests in academia and museums, and fended off fusillades of non-Leonardos. Kemp explains his thinking on the Last Supper and the Mona Lisa, retells his part in the identification of the stolen Buccleuch Madonna, and explains his involvement on the two major Leonardo discoveries of the last 100 years: *La Bella Principessa* and *Salvator Mundi*. His engaging narrative elucidates the issues surrounding attribution, the scientific analyses that support experts' interpretations, and the continuing importance of connoisseurship. Illustrated with the works being discussed,

Living with Leonardo explores the artist's genius from every angle, including technical analysis and the pop culture works he inspired, such as The Da Vinci Code, and his enduring influence 500 years after his death.

The Visions of Swift Elk is a story of discovery. While an elder nears the end of his time, the need for a new leader is clear. However, leadership can't be claimed or taught. It must be discovered. This is the journey of that discovery. A young warrior, Swift Elk, comes forward to claim this role. In the beginning, he demands to be given the role and have the secrets of leadership revealed to him. He finds that leadership is discovered through a very special vision that he believes impossible. As the knowledge grows within Swift Elk, he can not reach a level of greatness until his vision becomes what was predicted. When the eagle eats with the bear, then, and only then, can Swift Elk be a great leader. In the tradition of Og Mandino, Melvin Powers, and others who share knowledge through stories, "The Visions of Swift Elk," is destined to be a classic guide to leadership for young and old alike. All of us like to see bits of ourselves in a story and the characters in this book open readers up to seeing themselves and the changes they can make.

Anne Rice's magnificent Songs of the Seraphim series continues with a lyrical and haunting new novel of angels and assassins set in dark and dangerous worlds — in our time and in centuries past. Toby O'Dare, former government assassin, is summoned by the angel Malchiah to fifteenth-century Rome — the city of Michelangelo and Raphael, of Leo X and the Holy Inquisition — to solve a terrible crime of poisoning and to uncover the secrets of an earthbound restless spirit, a diabolical dybbuk. Toby is plunged into this rich age as a lutist sent to charm and calm this troublesome spirit. In the fullness of the high Italian Renaissance, Toby soon discovers himself in the midst of dark plots and counterplots, surrounded by a still darker and more dangerous threat as the veil of ecclesiastical terror closes in around him. And as he once again embarks on a powerful journey of atonement, he is reconnected with his own past, with matters light and dark, fierce and tender, with the promise of salvation and with a deeper and richer vision of love.

A political biography of the Cuban revolutionary by a journalist who first interviewed him in the Sierra Maestra mountains in 1957 when the Cuban government and the world press believed him to be dead.

First published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Drawing on recent feminist discussions, this collection critically reassesses ideas about agency, exploring the relationship between agency and coercion in greater depth and across a range of disciplinary perspectives and ethical contexts.

"Illustrated and with essays by Martin Kemp, Spectacular Bodies reveals a new way of seeing ourselves."--BOOK JACKET.
