The RYA Yachtmaster Scheme Syllabus & Logbook (2016 edition) also provides up-to-date information about the structure and content of practical and shorebased courses, for both sail and motor cruising, in the RYA Yachtmaster Scheme. It 's a great way to keep track of your qualifications and sea time, and learn about the next steps you can take.

This is a serious logbook for the experienced yachtsman, yachtwoman or novice alike.With enough pages to last a whole season this logbook covers everything you need to record for a sail including electronic navigation information, narrative and engine and generator hours.Taking your RYA Yachtmaster's Certificate? This logbook has space to record every sail and is designed with enough pages to last the whole season.

The RYA Yachtmaster examination is the gold-standard qualification for sail and power boaters the world over. This eBook is the RYA 's official and definitive guide to the exam. It offers a unique insight into what you need to know, how the exam will be conducted, and the skills required. Whether you are going to take the exam, or are thinking of it and want to find out what you will face on the day, this is the book that you must have. Author James Stevens is the creator of the current RYA Yachtmaster scheme for sail and power boats. Formerly the RYA 's Training Manager, he has over 30 years ' experience examining, and there is nobody better to help you succeed.
