This is one of Scarlatti's earliest keyboard sonatas, first appearing in London in the Essercizi per gravicembalo (30). This volume was the first publication anywhere of Scarlatti's sonatas; yet it did not appear until 1738, when the composer was 53. The Sonata in B minor here may well date to a decade or two

before that year, like many of its other 29 siblings appearing in that premiere issue.
