Republic of South Africa. Following South Africa's first democratic election in April 1994, the South African National Defence Force (SANDF) was established through the integration of former statutory and non-statutory forces. The integration of these forces, many of which were once enemies-in-arms, Is a powerful symbol and

*Defence in a Democracy*

In the 60-plus years since the countries of sub-Saharan Africa started becoming independent, democracy there has advanced unevenly. During the Cold War, many African states turned into Soviet- or U.S.-backed dictatorships. Afterward, some nascent democracies made notable gains, but others ended up backsliding.

*Africa's Democratic Moment? | Foreign Affairs*

Social and political divisions, especially between black and white South Africans, will also continue to weaken South Africa's already fragile democracy. Widespread unrest and inter-group clashes will rise to levels yet unseen; the ANC government will increasingly be unable to address resultant crimes, further contributing to the instability of a volatile Southern African region.
