Self-Promotion for Introverts@

Self Promotion for Introverts is squarely aimed at people who lack confidence in themselves. That's fine for those people (or not, as the case may be) but it misses the mark with me. It does not address my primary problems with people, which are mainly related to not being bothered with social interactions that I deem unnecessary: small talk, attending work related dinners/activities, and so on.

"Filled with tips ... The author's tone is supportive and she does not argue that introverts should become live wires." --The New York Times "Best Books 2009" --Publishers Weekly "Whatever's behind your reluctance to speak out for yourself, [Self-Promotion for Introverts@] is the first book I've seen with serious research on the topic that leads to a new game plan; it may help you promote yourself without bragging." --Los Angeles Times "Best Book Gifts" --ABC News "Best New Career Books" --The Star-Ledger "Must-read Fall Books for IT Execs" --CIO Insight "Self-Promotion for Introverts@ is excellent and a wonderful gift to the understanding of introverts. Much too often they have been considered neurotic! This book should help in changing that opinion and supporting the confidence of introverts." --Katharine Myers, Coguardian and Trustee, Myers-Briggs Trust "Offers a solid dose of practical advice - alongside humorous anecdotes - for introverts to assert themselves by using their inherent tendencies in the most effective ways ... Written in a practical, precise, and smart way, Ancowitz shows introverts how to take advantage of the unique qualities and strengths they can offer, but also how to network, build visibility, have a memorable impact on others, speak publicly, interview effectively, own their own strengths, and much more ... One important thing to note is that the book is not about teaching an introvert to become an extrovert. The aim of the book is not to change people to be something they are not, but rather to refine them into the strongest versions of what they already are." --Positive Psychology News Daily "Written by an introvert for introverts ... If you're not an introvert, but have introverted customers or employees - this could be your lucky day. At first I thought this book was just for introverted people, until I realized how powerful my messages could be if I organized them in a way that my introverted audiences could appreciate and feel comfortable around." --Small Business Trends "Self-Promotion for Introverts@ is a primer on doing just that - helping 'quiet sorts' assert themselves by using their inherent tendencies in the most effective ways." --Fort Myers Florida Weekly "There is great value in this book, whether you are promoting your own business or consulting practice, or just want to be sure your talents are recognized within your larger organization. I loved the examples of networking e-mails and conversation starters: these will be great to use so that I don't have to start with a blank page." --The Independent Consultant (a newsletter of the Society of Actuaries, Entrepreneurial Actuaries Section) "Make Nancy's book your bible for crafting a plan to get the recognition you deserve." --Liz Lynch, author of Smart Networking "Ancowitz's book is not only a valuable resource for introverts who want to raise their profile in business and career, it also provides some effective behavioral insights for those who might consider themselves more on the extrovert side of the spectrum." --The Business Source Get noticed . . . and get ahead! All too often, introverts get passed over for job offers and promotions while their more extroverted colleagues get all of the recognition. But it doesn't have to be this way. In Self-Promotion for Introverts@, business communication coach and intrepid introvert Nancy Ancowitz helps introverts tap into their quiet strengths, articulate their accomplishments, and launch an action plan for gaining career advancement. You will learn how to: Promote yourself without bragging-- when networking, on job interviews, and at work Use your quiet gifts (writing, researching, and listening) to your advantage Be a commanding presenter, despite your quieter nature Formulate your best plans, set goals, take action-- and even find a better job Featuring exclusive advice from Warren Buffett, Bill Clinton, Hearst Magazines president Cathie Black, and marketing guru Seth Godin, Self-Promotion for Introverts@ helps you progress inward, outward, and onward.

Susan Cain's breakout bestseller Quiet has brought introversion to the forefront of popular discussion. Yet despite the increased awareness, and the high-profile success of introvert entrepreneurs such as Bill Gates, Steve Jobs, Mark Zuckerberg, and Jeff Bezos, there is no book that shows introverts how to harness their natural gifts (such as focused listening and in-depth researching) and counteract their weaknesses (such as an aversion to networking and public speaking) in a business setting. Whether starting or growing a business or working within a larger organization, readers will find insights on a wide range of entrepreneurial topics inThe Introvert Entrepreneur from managing fears and expectations and developing a growth mindset to mastering networking, marketing, leadership skills, and community-building informed by interviews with successful introverts who have learned important business lessons the hard way. Filled with insights and practical advice, this essential guide will help anyone who's striving to quietly make a difference in a loud and chaotic world.

If you prefer to "just put your head down and do the work," or if you feel like bragging is icky, you are sabotaging yourself without knowing it. Doing good work is no guarantee anyone will notice it. You need a strategy for communicating your achievements and skill sets to others. Meredith Fineman has built a thriving career training the Qualified Quiet-- competent professionals who struggle to communicate their worth to others. Rather than pretending that you're more qualified or confident than you are, or inserting self-promotion into conversations at inappropriate times, Fineman advocates finding quiet confidence in your opinions, abilities, and background, and then turning up the volume. In this book, Fineman shares the game-changing tools she's developed over the past decade that make bragging feel easy, including-

It is well-documented that working hard isn't enough to keep your professional star rising: Self-promotion is recognized as one of the most important attributes for getting ahead.

An inspiring look at the hidden stars in every field who perform essential work without recognition In a culture where so many strive for praise and glory, what kind of person finds the greatest reward in anonymous work? Expanding from his acclaimed Atlantic article, "What Do Fact-Checkers and Anesthesiologists Have in Common?" David Zweig explores what we can all learn from a modest group he calls "Invisibles." Their careers require expertise, skill, and dedication, yet they receive little or no public credit. And that's just fine with them. Zweig met with a wide range of Invisibles to discover first hand what motivates them and how they define success and satisfaction. His fascinating subjects include: * a virtuoso cinematographer for major films. * the lead engineer on some of the world's tallest skyscrapers. * a high-end perfume maker. * an elite interpreter at the United Nations. Despite the diversity of their careers, Zweig found that all Invisibles embody the same core traits. And he shows why the rest of us might be more fulfilled if we followed their example.

Networking is the art of building and maintaining connections for shared positive outcomes. This field guide begins by politely examining, and then shattering to pieces, traditional networking truisms.

Demonstrates how introverted people are misunderstood and undervalued in modern culture, charting the rise of extrovert ideology while sharing anecdotal examples of how to use introvert talents to adapt to various situations.

Have you ever felt out of place as an introvert in an extroverted church culture? With practical illustrations from church and parachurch contexts, McHugh offers ways for introverts to serve, lead, worship, and even evangelize in ways consistent with their personalities. This expanded edition is essential reading for introverted Christians and church leaders alike.
