THE LINGUISTIC FOUNDATION. This title is out of print and no longer available for purchase on this site. One cannot define structuralism by examining how the word has been used; that would lead only to despair. It may be, of course, that the term has outlived its usefulness. To call oneself a structuralist was always a polemical gesture, a way of attracting attention and associating oneself with others whose work was of moment, and to study such gestures with the seriousness and attention ...

THE LINGUISTIC FOUNDATION | Structuralist Poetics | Taylor ...

Culler's most famous work, Structuralist Poetics has never been out of print since first publication in 1975, selling over 20,000 copies. It introduced a new way of studying literature by attempting to create a systematic account of the structure of literary works, rather than studying the meaning of the work.
