The bible tells us that Jesus was God (John 1:1, 14, Col. 2:9). Some people might think that that means that he wasn't able to be a person too. [Take off the label that says [man]] But we know that the bible tells us that just like any other human Jesus felt hungry (Matthew 21:18) and thirsty (John 19:28) and tired (John 4:6).

Indexes: topical and subject indexes help kids find all the special features and themes in this Bible. Dictionary: explains the meanings of hard words in the Bible. Maps: help kids locate the places super heroes lived and carried out their heroic deeds.

Superheroes are a force to be reckoned with. They are strong, fearless, and possess extraordinary abilities. No one is better at protecting the world and keeping order than a superhero. At least that's what Ryan thinks. What if someone far greater exists? Someone with limitless strength and power. Someone with abilities like a superhero, but better. What if God is better than a superhero? Take an exciting journey with Ryan and his mom as they explore how some of the most powerful and celebrated superheroes match up to God.

The personalized Superhero Journals are perfect for writing out your comic book ideas and keeping everything in one place. Use this book to jot out your own comic books. With over 118 pages to write out your thoughts, you never run out of room. So what are you waiting for? Scroll up and click the buy button for your own personalized comic book journal!

Dr. Rosenberg explores the importance of origin stories and what they tell us about the characters and real people. She reveals the origins stories of seven superheroes, how those stories have evolved over time, and what they can tell us about ourselves.

With the goal of answering the long-unanswered question of [God who?], blogger-turned-book author Merideth Parrish recounts the many stories of pain, perseverance, and periods of self-mutilation and self-discovery she has endured in just thirty-two years of life. In this memoir, Parrish shares some of the most private and personal periods of her life, ranging from excruciatingly painful to exceedingly joyful. Encompassing episodes of sexual abuse and abandonment by her father, her journey brought her up against close-calls, violent encounters, and near-fatal collisions with the unforeseen conditions and bad choices that became her life. Parrish also tells how, along the way, she discovered the ultimate purpose for which God exists and the process that matured her into a restored and redeemed woman of God. Offering compelling and emotional insight into her life's journey, God Who? From Stranger to Superhero follows the path that unearthed and defined her Christian character.

Superman rose from popular culture--comic books, newspaper strips, radio, television, novels, and movies" but people have so embraced the character that he has now become part of folklore. This transition from popular to folk culture signals the importance of Superman to fans and to a larger American populace. Superman's story has become a myth dramatizing identity, morality, and politics. Many studies have examined the ways in which folklore has provided inspiration for other forms of culture, especially literature and cinema. In Superman in Myth and Folklore, Daniel Peretti explores the meaning of folklore inspired by popular culture, focusing not on the Man of Steel's origins but on the culture he has helped create. Superman provides a way to approach fundamental questions of human nature, a means of exploring humanity's relationship with divinity, an exemplar for debate about the type of hero society needs, and an articulation of the tension between the individual and the community. Through examinations of tattoos, humor, costumeing, and festivals, Peretti portrays Superman as a corporate-owned intellectual property and a model for behavior, a means for expression and performance of individual identity, and the focal point for disparate members of fan communities. As fans apply Superman stories to their lives, they elevate him to a mythical status. Peretti focuses on the way these fans have internalized various aspects of the character. In doing so, he delves into the meaning of Superman and his place in American culture and demonstrates the character's staying power.

Be a Superhero! When you are at the end of your rope, boxed into a corner, hanging on by a thread and every other idiom where you just don't know how you are going to make it another minute then this book is for you. As much as we would like to think we are independent, the truth is we need help. The help offered in this book is a superpower that goes well beyond any of your favorite superheroes. You will learn in this book how to breathe in the Breath of God that you might have superhero strength. There is a power that goes beyond anything on earth and that power is available to you through the amazing grace of God. In Lord, I Need Help!, book two of the Walking With Jesus Series you will find out how this Superpower works and how this Superpower can become part of your life.

The idea for this book came suddenly in a vivid snapshot while thinking about how Jesus talked about His love for children and displayed it in His actions. He would continue to tell people about His love for us as His children. So, I set out to make simple what many people have made complicated, the love of God through His son Jesus Christ as displayed through children.

A flower! For Christmas? What kind of weird gift is this? Adrian started to get annoyed. The Magic Flower is a charming and fun story of Adrian and his little sister Julia, who received a mysterious "magic flower" from their step-grandmother for Christmas. With two green tongue-looking things sticking out of a couple of ugly bulbs, it surely didn't look magical! But only four days after its arrival, amazing things began to happen as the magic of the true meaning of

Christmas started to bloom.
