tasks help you to assess students' progress and focus them in a motivating way on areas requiring improvement clear objectives at the start of each unit to show students what they will be learning.

This book helps students listen for gist and specific information, to make inferences and

File Type PDF Text Building Skills In English Teachers Guide

to progress to content-based activities. Introducing Skills for Understanding is the high-beginning level of the Active Listening series. By activating students' knowledge of a topic before they listen, the text gives them a frame of reference to make intelligent predictions about what they will hear. Students learn to listen through a careful balance of activities, including listening for gist, listening for specific information, and making inferences.
