but true, facts!

A COLLECTION of hilarious golf jokes, quips, quotes, one liners, and stories from pros to hackers, duffers and caddies and people that don't even play golf, this book is sure to suit any golfer from tee to green. It is presented in an easy to read format and design with hundreds of illustrations. From a duck hook to slicing a banana off the tee, hacking your way down the fairway or putting your ball back off the green you don't have to wait until the 19th hole to crack a chuckle just to remind golfers, sometimes, not to take the game too seriously. A strategically place joke can make more difference to the game than a dozen mulligan's. There's enough material in this authors 3+ book series to give every golfer the chance to laugh off those double-bogeys and three putts. This Collection of Golf Jokes & Quotes, Fairway Wisdom with Hundreds of Illustrations makes this a perfect gift for all golf fans whether they are players or not. Put away the scorecards and get ready for eighteen holes of laughter from the links, reflections from the back nine and long after you finally make it to the 19th hole. This book is a must for anyone that plays the game, whether they play it well or not.

WINNER OF THE 2008 DRUE HEINZ LITERATURE PRIZE Selected by Scott Turow Feeling distanced from her friends and family, middle-aged divorcée Caitlin Drury is encouraged by her daughter to express her feelings in a diary, but she is hesitant: "I feel lonely she wrote, then crossed it out. She didn't like the idea of someone coming along later to read her journal, finding out she felt lonely." "Like That," and other stories from Anthony Varallo's new collection Out Loud give voice to the disconnections of family and relationships, and the silent emotions that often speak louder than words. In "The Walkers," we follow a couple on their daily trek through a bedroom community, where they partially glimpse their neighbors' lives, longing for inclusion. Yet their insular lifestyle ensures that they deal with people only on the surface--without learning the truth of their problems. Out Loud tells of longings for meaningful expression and the complexities and escapism of human interactions that keep us from these truths. Varallo uses the trials of youth and remembrances of the past, the rituals and routines of the everyday, the interactions of family, friends, teachers, and neighbors to peel away the layers of language and actions we use to shield ourselves.

Ride with a father and his son on an amazing journey through America's past. In the summer of 1939, with the nation balanced between the Great Depression and the gathering winds of war, young Jack Newkirk set off on a rickety Harley to see both the New York and San Francisco World's Fairs. He had no way of knowing it was to be the autumn of his youth, and that his entire generation would soon be thrust into the most devastating conflict in history. Seven decades later, author John J. Newkirk retraces this epic ride with his father, Jack, in a silent hope the old soldier will still be proud of the America he fought for. Each mile brings discovery as the author learns of his namesake, the heroic Squadron Leader of the legendar Flying Tigers, and of his father's life on the road and in the jungles of the South Pacific during World War II. The result is quintessential Americana, a sweeping portrait of the grit, guts, ingenuity, and sacrifice that defined a nation, and a timely lesson from the Greatest Generation on how we can overcome our most pressing challenges and reclaim the American Dream.
