The American West A Very

The American West: A Very Short Introduction tracks “the West” from the building of the Cahokia Mounds around 900 ad, through early encounters with Europeans, to the Newlands Reclamation Act in 1902, and the post-World War II migration to California. It stretches the chronology, enlarges the geography, and varies the casting, providing a history of the American West that is longer, larger, and more complicated than popular culture has previously suggested.

100 Must-Read Books of the American West

Even for its small size, this book is a very incomplete account of the West when there are so many other superior histories now in print. The problem becomes apparent in the first chapter, where the author describes the 11th-century native American site of Cahokia in southern Illinois--a location that few would consider part of the West.

A Western saloon is a kind of bar particular to the Old West. Saloons served customers such as fur trappers, cowboys, soldiers, lumberjacks, businessmen, lawmen, outlaws, miners, and gamblers. A saloon might also be known as a "watering trough, bughouse, shebang, cantina, grogshop, and gin mill". The first saloon was established at Brown's Hole, Wyoming, in 1822, to serve fur trappers.
