Introduced in 1940, The Flash burst onto the comic book scene with an explosive debut akin to his super-speed powers. He was an instant smash-hit success, as the lightning bolt insignia upon his chest became synonymous with the term "superhero." Even as seven decades have passed, The Flash is still a vibrant part of the DC Comics lore and an integral part of the genre. THE FLASH: A CELEBRATION OF 75 YEARS collects a wide range of stories featuring the Scarlet Speedster, ranging his seven decades as a mainstay in the DC Comics universe. From the original Flash, Jay Garrick, to his successors Barry Allen and Wally West, the mantle of this beloved hero has made him burst beyond the printed page into a pop culture symbol. This anthology graphic novel collects stories from the industry's legendary talents, including

Superstar writer Mark Waid's run on THE FLASH is now re-collected in a new series of graphic novels, beginning with THE FLASH BY MARK WAID BOOK ONE! When Wally West, the adolescent nephew of the Flash's fiancée, accidentally gained powers of superspeed, he became the Scarlet Speedster's sidekick. Growing up as his hero's protégé, Kid Flash had a childhood of amazing action and adventure. But on the day that The Flash died, Wally's carefree adolescence abruptly ended and his life as an adult began. THE FLASH BY MARK WAID BOOK ONE looks back at Wally's earliest days as the Kid Flash and explores the gamut of his emotions and experiences from his first day as a child hero to his succession of Barry Allen as the new Flash. A journey full of humor and drama, this story shows just how much Wally West loves being the fastest man alive.

After years spent on the hunt for vengeance,

one of the Flash's oldest friends has returned, while the Flash's most dangerous enemy plans an escape from prison and the Flash himself discovers incredible new powers within himself.

It collects The Flash numbered 164-176, The Flash Iron Heights numbered 1, The flash secret Files numbered 3, The Flash Or Worlds at War numbered 1.

"The Flash Year One" starts here! Barry Allen feels helpless in his life in Central City. As a forensic scientist, he's always catching criminals after they've committed their crimes. All that changes one fateful night when Barry is struck by a bolt of lightning and doused in chemicals. When he wakes from a coma, he realizes he can run at incredible speeds. Can Barry master these powers and be the hero his city needs...or will the powers burn through him?

When a cosmic crisis, similar to the one that killed the Flash, occurs, Barry Allen, returns from the dead to reclaim his title as The Fastest Man Alive.

"This thrilling volume collects the earliest adventures of the Flash--police scientist Barry Allen, who is the star of the hit TV series The Flash on the CW! These stories, from the late 1950s, relate the origin of the Flash, his discovery of his incredible super-

While many American superheroes have multiple powers and complex gadgets, the Flash is simply fast. This simplicity makes his character easily comprehensible for all audiences, whether they are avid comic fans or newcomers to the genre, and in turn he has become one of the most iconic figures in the comic-book industry. This collection of new essays serves as a stepping-stone to an even greater understanding of the Flash, examining various iterations of his character—including those of Jay Garrick, Barry Allen, Wally West

and Bart Allen—and what they reveal about the era in which they were written.

The Rogue alliance has been torn apart by a macabre theft and their battle threatens the citizens of Keystone City. The Flash finds himself caught in the middle, unable to take sides or end the conflict.
