In this book, Marcus Borg suggests that there is a developing paradigm of Christianity that deviates from the more orthodox view of Christianity that holds that Jesus is the only way to be saved from hell and, instead, acknowledges that Christianity is not only about an after-life but is more about experiencing the sacred.

^ Book The Heart Of Christianity Rediscovering A Life Of Faith ^ Uploaded By Erskine Caldwell, in the heart of christianity world renowned jesus scholar and author of the bestseller meeting jesus again for the first time argues that the essential ingredients of a christian life faith being born again the kingdom of god the gospel of love are as

World-renowned Jesus scholar Marcus J. Borg shows how we can live passionately as Christians in today's world by practicing the vital elements of Christian faith. For the millions of people who have turned away from many traditional beliefs about God, Jesus, and the Bible, but still long for a relevant, nourishing faith, Borg shows why the Christian life can remain a transforming relationship with God. Emphasizing the critical role of daily practice in living the Christian life, he explores how prayer, worship, Sabbath, pilgrimage, and more can be experienced as authentically life-giving practices. Borg reclaims terms and ideas once thought to be the sole province of evangelicals and fundamentalists: he shows that terms such as "born again" have real meaning for all Christians; that the "Kingdom of God" is not a bulwark against secularism but is a means of transforming society into a world that values justice and love; and that the Christian life is essentially about opening one's heart to God and to others.

For many people who have turned away from traditional beliefs about God, Jesus, and the Bible, but still long for a relevant, nourishing faith, the author shows why the Christian life can remain a transforming relationship with God. Emphasizing the critical role of daily practice in living the Christian life, he explores prayer, worship, Sabbath, pilgrimage and more.

Of the many recent books on the historical Jesus, none has explored what the latest biblical scholarship means for personal faith. Now, in Meeting Jesus Again for the First Time, Marcus Borg addresses the yearnings of those who want a fully contemporary faith that welcomes rather than oppresses our critical intelligence and openness to the best of historical scholarship. Borg shows how a rigorous examination of historical findings can lead to a new faith in Christ, one that is critical and, at the same time, sustaining. "Believing in Jesus does not mean believing doctrines about him," Borg writes. "Rather, it means to give one's heart, one's self at its deepest level, to . . . the living Lord." Drawing on his own journey from a naive, unquestioning belief in Christ through collegiate skepticism to a mature and contemporary Christian faith, Borg illustrates how an understanding of the historical Jesus can actually lead to a more authentic Christian life—one not rooted in creeds or dogma, but in a life of spiritual challenge, compassion, and community. In straightforward, accessible prose, Borg looks at the major findings of modern Jesus scholarship from the perspective of faith, bringing alive the many levels of Jesus' character: spirit person, teacher of alternative wisdom, social prophet, and movement founder. He also reexamines the major stories of the Old Testament vital to an authentic understanding of Jesus, showing how an enriched understanding of these stories can uncover new truths and new pathways to faith. For questioning believers, doubters, and reluctant unbelievers alike, Meeting Jesus Again for the First Time frees our understanding of Jesus' life and message from popular misconceptions and outlines the way to a sound and contemporary faith: "For ultimately, Jesus is not simply a figure of the past, but a figure of the present. Meeting that Jesus—the living one who comes to us even now—will be like meeting Jesus again for the first time."

Marcus Borg's The Heart of Christianity struck a chord for countless Christians across this country. Church groups and small groups have been reading this influential book, hoping to put into practice Borg's helpful suggestions for how we can be passionate believers today. For the millions of people who have turned away from many traditional beliefs about God, Jesus, and the Bible, but still long for a relevant, nourishing faith, The Heart of Christianity presents a new outlook on Christianity that is both refreshing and compelling. This companion to The Heart of Christianity is an invaluable resource that provides the tools to talk about Borg's new vision for a life of Christian faith and how it can change our spiritual lives and Christian communities today. For groups as well as individuals hoping to go deeper in The Heart of Christianity, this guide includes personal reflection questions, discussion topics, exercises, and selections from the bestselling book. Organized into twelve chapters, or sessions, Living the Heart of Christianity includes both an individual or participant's guide as well as a guide for group leaders, allowing the reader to engage with the issues that lie at the heart of Christianity today.

A companion to the bestselling book by Marcus J. Borg, this 12-session experiential program will enable you to engage with the issues that lie at the heart of Christianity today. Delving into such topics as the Bible; God; Jesus; sin; and how to live in a multi-faith, pluralistic society, Experiencing the Heart of Christianity will guide you through these complicated issues, leaving you thought-full and inspired. The book includes a DVD with video clips of Marcus Borg and Tim Scorer, and beautiful fine art images of Jesus.

One of the vital challenges facing thoughtful people today is how to read the Bible faithfully without abandoning our sense of truth and history. Reading the Bible Again for the First Time provides a much-needed solution to the problem of how to have a fully authentic yet contemporary understanding of the scriptures. Many mistakenly believe there are no choices other than fundamentalism or simply rejecting the Bible as something that can bring meaning to our lives. Answering this modern dilemma, acclaimed author Marcus Borg reveals how it is possible to reconcile the Bible with both a scientific and critical way of thinking and our deepest spiritual needs, leading to a contemporary yet grounded experience of the sacred texts. This seminal book shows you how to read the Bible as it should be examined—in an approach the author calls "historical-metaphorical." Borg explores what the Scriptures meant to the ancient communities that produced and lived by them. He then helps us to discover the meaning of these stories, providing the knowledge and perspective to make the wisdom of the Bible an essential part of our modern lives. The author argues that the conventional way of seeing the Bible's origin, authority, and interpretation has become unpersuasive to millions of people in our time, and that we need a fresh way of encountering the Bible that takes the texts seriously but not literally, even as it takes seriously who we have become. Borg traces his personal spiritual journey, describing for readers how he moved from an unquestioning childhood belief in the biblical stories to a more powerful and dynamic relationship with the Bible as a sacred text brimming with meaning and guidance. Using his own experience as an example, he reveals how the modern crisis of faith is itself rooted in the misinterpretation of sacred texts as historical record and divine dictation, and opens readers to a truer, more abundant perspective. This unique book invites everyone—whatever one's religious background—to engage the Bible, wrestle with its meaning, explore its mysteries, and understand its relevance. Borg shows us how to encounter the Bible in a fresh way that rejects the limits of simple literalism and opens up rich possibilities for our lives.

How to have faith—or even think about God—without having to stifle modern rational thought is one of the most vital challenges facing many of us today. Marcus J. Borg, author of the bestselling Meeting Jesus Again for the First Time, traces his personal spiritual journey to the discovery of an authentic yet fully contemporary understanding of God. In a compelling, readable way, he leads us from the distant, authoritarian God of our childhood to an equally powerful, dynamic adult image of God—"the beyond in our midst," the life spirit that is within us and all around us—that reconciles faith with science, history, critical thinking, and religious pluralism.

By presenting the New Testament books in the order they were written, bestselling Bible scholar Marcus Borg reveals how spiritually and politically radical the early Jesus movement began and how it slowly became domesticated. Evolution of the Word is an incredible value: not only are readers getting a deeply insightful new book from the author of Speaking Christian and Jesus, but also the full-text of the New Testament—and one of the only Bibles organized in chronological order and including explanatory annotations that give readers a more informed understanding of the Scripture that is so close to their hearts and lives.

On the occasion of his seventieth birthday, the renowned scholar Marcus J. Borg shares how he formed his bedrock religious beliefs, contending that Christians in America are at their best when they focus on hope and transformation and so shows how we can return to what really matters most. The result is a manifesto for all progressive Christians who seek the best path for following Jesus today. With each chapter embodying a distinct conviction, Borg writes provocatively and compellingly on the beliefs that can deeply ground us and guide us, such as: God is real and a mystery; salvation is more about this life than an afterlife; the Bible can be true without being literally true; Jesus's death on the cross matters—but not because he paid for our sins; God is passionate about justice and the poor; and to love God is to love like God. Borg calls all American Christians to reject divisiveness and exclusivity and create communities that celebrate joy, possibility, and renewal. Throughout, he reflects on what matters most, bringing to earth the kingdom of God Jesus talked about and transforming our relationships with one another. Rich in wisdom and insight, Convictions is sure to become a classic of contemporary Christianity.

The award-winning author of Grateful goes beyond the culture wars to offer a refreshing take on the comprehensive, multi-faceted nature of Jesus, keeping his teachings relevant and alive in our daily lives. How can you still be a Christian? This is the most common question Diana Butler Bass is asked today. It is a question that many believers ponder as they wrestle with disappointment and disillusionment in their church and its leadership. But while many Christians have left their churches, they cannot leave their faith behind. In Freeing Jesus, Bass challenges the idea that Jesus can only be understood in static, one-dimensional ways and asks us to instead consider a life where Jesus grows with us and helps us through life's challenges in several capacities: as Friend, Teacher, Savior, Lord, Way, and Presence. Freeing Jesus is an invitation to leave the religious wars behind and rediscover Jesus in all his many manifestations, to experience Jesus beyond the narrow confines we have built around him. It renews our hope in faith and worship at a time when we need it most.
