The Land of Laughs: Weird things are afoot in small-town Missouri Originally posted at Fantasy Literature The Land of Laughs was written back in 1980 and I wonder how many readers know about it now. It's written by Jonathan Carroll, who has written a number of offbeat modern fantasies, and I only know about it because it was selected by David Pringle for his Modern Fantasy: The 100 Best Novels.

The Land of Laughs is a bizarre fantasy novel by Jonathan Carroll, as far from Standard Fantasy Setting as possible (no dragons, but a lot of white bull terriers). Has subtle (but powerful) elements of Horror, but also Magic Realism.

Have you ever loved a magical book above all others? Have you ever wished the magic were real? Welcome to The Land of Laughs. A novel about how terrifying that would be. Schoolteacher Thomas Abbey, unsure son of a film star, doesn't know who he is or what he wants--in life, in love, or in his relationship with the strange and intense Saxony Gardner. What he knows is that in his whole life nothing has touched him so deeply as the novels of Marshall France, a reclusive author of fabulous children's tales who died at forty-four. Now Thomas and Saxony have come to France's hometown, the dreamy Midwestern town of Galen, Missouri, to write France's biography. Warned in advance that France's family may oppose them, they're surprised to find France's daughter warmly welcoming instead. But slowly they begin to see that something fantastic and horrible is happening. The magic of Marshall France has extended far beyond the printed page...leaving them with a terrifying task to undertake. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Walker Easterling is a retired actor turned successful screenwriter living in the Vienna of strong coffee, fascinating friends, and mysterious cafes. When he falls in love with Maris York, a beautiful artist who creates cities, his life becomes alive in fantastic and unsettling ways. As Walker's love for Maris grows, his life gets more and more bizarre--he discovers he can see things happening just before they happen, and at the same time feels an incredibly strong tug from his past--so a friend steers him to Venasque, an odd little man reputed to be a powerful shaman. Venasque helps Walker discover and unravel his many interconnected past lives, and it is soon clear that an unresolved conflict from these past lives has resurfaced, and now threatens to undo Walker and Maris's love. At once lyrical, frightening, funny, and sexy, *Sleeping in Flame* is a spellbinding tale where reality and fantasy merge in astonishing convolutions of magic and suspense. It confirms that Jonathan Carroll is one of the very few novelists who--by constantly surprising us--give us an entirely new perspective on our world. It is no wonder that he is generally considered to be the most original and provocative novelist of his generation. For connoisseurs of imaginative fiction, the novels of Jonathan Carroll are a special treat that occupy a space all their own. His surreal fictions, which deftly mix the everyday with the extraordinary, have won him a devoted following. Now, in *Glass Soup*, Carroll continues to astound The realm of the dead is built from the dreams--and nightmares--of the living. Octopuses drive buses. God is a polar bear. And a crowded highway literally leads to hell. Once before, Vincent Ettrich and his lover, Isabelle Neukor, crossed over from life to death and back again. Now Isabelle bears a very special child, who may someday restore the ever-changing mosaic that is reality. Unless the agents of Chaos can lure her back to the land of the dead--and trap her there forever. *Glass Soup* is another exquisite and singular creation from the author January magazine described as "incapable of writing a bad book much less an uninteresting one." At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"In a used book store, Thomas Abbey, an avid fan of Marshall France, a deceased writer of unique children's books, has a chance encounter with Saxony Gardner, another enthusiast of that reclusive man. Together, they set out to the town of Galen, to meet Anna France, the writer's daughter, in order to obtain her permission to write Marshall France's biography. Prepared for rejection, they are warmly welcomed and settle into the community and their literary endeavor. However, they find an uncanny resemblance between the town of Galen and its inhabitants, and the literary world of their idol. Figures from Marshall France's books are alive in Galen, and Thomas and Saxony begin to question if the books were patterned onto Galen, or if the writer's magic created Galen. Equally disturbing is Thomas' role as biographer, who appears to create reality by his writing, and begins to question the motives of

Anna and the inhabitants of Galen. Events reach a crisis point when Thomas' biography reaches the time of Marshall France's arrival in Galen"--

Vincent Ettrich, a genial philanderer, discovers he has died and come back to life, but he has no idea why, or what the experience was like. Pushed and prodded by strange omens and stranger persons, he gradually learns that he was brought back by his one true love, Isabelle, because she is pregnant with their child—a child who, if raised correctly, will play a crucial role in saving the universe. But to be brought up right, he must be educated in part by his father. Specifically, he must be taught what Vincent learned on the other side—if only Vincent can remember it. On a father's love and struggle may depend the future of everything that is. By turns quirky, romantic, awesome, and irresistible, *White Apples* is a tale of love, fatherhood, death, and life that will leave you seeing the world with new eyes. "I envy anyone who has yet to enjoy the sexy, eerie, and addictive novels of Jonathan Carroll. They are delicious treats—with devilish tricks inside them."—Michael Dirda, *The Washington Post* Neil Gaiman has written: "Jonathan Carroll has the magic. He'll lend you his eyes, and you'll never see the world in quite the same way ever again." Welcome to the luminous and marvelously inventive world of *The Ghost in Love*. A man falls in the snow, hits his head on a curb, and dies. But something strange occurs: the man doesn't die, and the ghost that's been sent to take his soul to the afterlife is flabbergasted. Going immediately to its boss, the ghost asks, what should I do now? The boss says, we don't know how this happened but we're working on it. We want you to stay with this man to help us figure out what's going on. The ghost agrees unhappily; it is a ghost, not a nursemaid. But a funny thing happens—the ghost falls madly in love with the man's girlfriend, and things naturally get complicated. Soon afterward, the man discovers he did not die when he was "supposed" to because for the first time in their history, human beings have decided to take their fates back from the gods. It's a wonderful change, but one that comes at a price. *The Ghost in Love* is about what happens to us when we discover that we have become the masters of our own fate. No excuses, no outside forces or gods to blame—the responsibility is all our own. It's also about love, ghosts that happen to be gourmet cooks, talking dogs, and picnicking in the rain with yourself at twenty different ages. Stephen King has said that "Jonathan Carroll is as scary as Hitchcock, when he isn't being as funny as Jim Carrey." Jonathan Lethem sees Carroll as the "master of sunlit surrealism." However one regards this beguiling original, two facts are indisputable: It's tough being a ghost on an empty stomach. And *The Ghost in Love* is a triumphant return.
