The jury is considered as fundamental part of the English legal system, albeit only a minority of the cases is tried by the jury in these days. In a sense it plays a vital role in ensuring that the criminal justice system works for the benefit of the public rather than for the benefit of unjust leaders.

The English jury has its roots in two institutions that date from before the Norman conquest in 1066. The inquest, as a means of settling a fact, had developed in Scandinavia and the Carolingian Empire while Anglo-Saxon law had used a "jury of accusation" to establish the strength of the allegation against a criminal suspect.

A jury is a sworn body of people (the jurors) convened to render an impartial verdict (a finding of fact on a question) officially submitted to them by a court,

or to set a penalty or judgment. Juries developed in England during the Middle Ages, and are a hallmark of the Anglo common law legal system.

Jury - Wikipedia

Juries are random selections of the public from the electoral register, used in determining the verdict of (mostly) criminal cases - i.e., whether the defendant is guilty or not guilty. This can be decided unanimously (all twelve jurors agree) or on a majority basis (usually 10-2 or 11-1).
