Description. This book examines the military collapse of China's Ming Dynasty to a combination of foreign and domestic foes. The Ming's defeat was a highly surprising development, not least because as recently as in the 1590s the Ming had managed to defeat a Japanese force considered to be perhaps the most formidable of its day when the latter attempted to subjugate Korea en-route to a planned invasion of China.

The Military Collapse of China's Ming Dynasty, 1618-44 ...

According to the report, China will also lose some of its military might as Japan becomes more dominant in the region. The American military will remain a major world player but will not be the first responded in future conflicts.

The world in 2025: China loses power, Russia 'won't exist'

In China's state-party-military tripartite political system, the CMC itself is a decision-making body whose day-to-day affairs are not nearly as transparent as that of the Central Committee or the State Council. As one of China's three main decision making bodies the relative influence of the CMC can vary depending on the time period and the leaders.
