Law of the Place Law and Legal Definition. Law of the place under the Federal Tort Claims Act usually refers to the state law applicable to the place where the injury occurred. Under the Act, the federal government waives its sovereign immunity for specified injury. It includes certain wrongful acts or omissions of a government employee causing injury that the U.S., if it were a private person, would be liable for under the law of the state where the incident occurred.

Law of the Place Law and Legal Definition | USLegal, Inc.

Law is a village situated between Carluke and Wishaw in South Lanarkshire, Scotland with a population of around 2,800. The village lies on the border of North Lanarkshire . Law is a former mining village, now mainly a low density residential area.

Law, South Lanarkshire - Wikipedia

The Law of Laplace is a physical law discovered by the great French mathematician Piere-Simon Laplace (and others) which describes the pressure-volume relationships of spheres. It is used to understand physiological features of both the heart and alveoli thus justifying its categorization as a basic concept.
