A dream is not just white noise or something that happens to you while you sleep. Dreams are the secret language of your unconscious. This book will teach you how to: Unlock the secrets of your personal dream language Explore and interpret the meaning of your dreams Harness the power of the brain to uncover a life of greater richness and meaning So often when we awake we find that our dreams have either evaporated like mist or seem to be just on the edge of our memory. Many people cannot recall their dreams at all. Cohen has developed a 7-step process to let you tap into the rich repository of your subconscious: Recall and record. Title your dream. Read or repeat aloud. Consider what is uppermost in your life right now. Describe your dream's objects and qualities as if you were talking to a Martian. Summarize the message from the unconscious. Consider the dream's guidance for waking life. Drawing on years of clinical experience and her familiarity with Freud, myth, and sacred writings, Cohen presents a program that results in a life of abundance, texture, and self-awareness.

Jackson is a psychic medium and the author of the New York Times bestseller *The Light Between Us*. She possesses an incredible gift: the ability to communicate with loved ones who have passed, convey messages of love and healing, and impart a greater understanding of our interconnectedness. Though her abilities are exceptional, they are not unique, and that is the message at the core of this book. Understanding “the secret language of the universe” is a gift available to all. As we learn to ask for and recognize signs from the other side, we will start to find meaning where before there was only confusion, and see light in the darkness. We may decide to change paths, push toward love, pursue joy, and engage with life in a whole new way. In *Signs*, Jackson is able to bring the mystical into the everyday. She relates stories of people who have experienced uncanny revelations and instances of unexplained synchronicity, as well as others drawn from her own experience. There’s the lost child who appears to his mother as a deer that approaches her unhesitatingly at a highway rest stop; the name written on a dollar bill that lets a terrified wife know that her husband will be okay; the Elvis Presley song that arrives at the exact moment of Jackson’s own father’s passing; and many others. This is a book that is inspiring and practical, deeply comforting and wonderfully motivational, in asking us to see beyond ourselves to a more magnificent universal design. Praise for *Signs* “This stirring guide . . . asserts that anyone can learn to understand messages that are sent from the ‘Other Side.’ . . . For readers struggling with loss who believe it’s possible to communicate with the deceased, this book will console and empower them to look beyond their suffering.”—Publishers Weekly “This brilliant book by the renowned psychic medium Laura Lynne Jackson is a guidebook to and translator of the mysterious spiritual language of the universe. Through a series of touching personal stories, *Signs* teaches us how to discern and understand the myriad spiritual signs in our lives. Laura Lynne’s beautiful and compassionate heart shines through every page. This book is both excellent and important, and I highly recommend it to all.”—Brian L. Weiss, M.D., author of *Many Lives, Many Masters*
