Everyone has a purpose. Some are just darker than others. Always calm, cool, and collected, Savannah PD Detective Charli Cross compensates for her petite five-foot frame with an impenetrable exterior and pragmatic competence. It's an approach that catapulted her to the rank of detective at twenty-three and contributes to her and her partner's unequalled murder clearance rate. But when a bird-watching couple discover the remains of a teenage girl stuffed in a storage container, Charli's composure starts to crack. Not only is the murder horrifying, it dredges up memories of Charli's best friend. Madeline was only sixteen when her body was found a mere half-mile from the grisly discovery. Add the sadistic sexual component to this recent crime, as well as the location of the body, and Charli fears they are facing the hallmarks of the worst kind of serial killer-one who's organized and thorough. One intent on fulfilling his

In a single moment, she becomes my obsession... Elaine Constantine will be mine. And her destruction is only my beginning. I've known all my life that the Constantines deserved to be wiped from the face of the earth, only a smoking crater left where their mansion once stood. That's my plan until I see her, the woman in gold with the sinful curves and the blonde curls. My will to dominate her runs as deep as the hate I have for her last name. No matter how beautifully she bends beneath my hands, I'll leave her shattered, a broken toy for her cruel family. I'm a sadist, and she's the object of my obsession. "I'm speechless... My limits were tested and I even found a few hard limits of my own. I still hear that divinely, sexy man demanding those sinfully sweet words." - USA Today bestselling author B.B. Reid on Dirty Bad Wrong

What thing so vile, Good and Evil join forces against it?

An International Bestseller! A LibraryReads and Indie Next Pick! A trio of second-born daughters sets out on a whirlwind journey through the lush Italian countryside to break the family curse that says they'll never find love, by New York Times bestseller Lori Nelson Spielman, author of *The Life List*. Since the day Filomena Fontana cast a curse upon her sister more than two hundred years ago, not one second-born Fontana daughter has found lasting love. Some, like second-born Emilia, the happily-single baker at her grandfather's Brooklyn deli, claim it's an odd coincidence. Others, like her sexy, desperate-for-love cousin Lucy, insist it's a true hex. But both are bewildered when their great-aunt calls with an astounding

proposition: If they accompany her to her homeland of Italy, Aunt Poppy vows she'll meet the love of her life on the steps of the Ravello Cathedral on her eightieth birthday, and break the Fontana Second-Daughter Curse once and for all. Against the backdrop of wandering Venetian canals, rolling Tuscan fields, and enchanting Amalfi Coast villages, romance blooms, destinies are found, and family secrets are unearthed—secrets that could threaten the family far more than a centuries-old curse.

Every day, the threat the Varis family poses to the humans they rule over grows stronger. Every minute that Arabelle spends doing chores for vain, entitled aristocrats, her resolve to overthrow the vampire monarchy increases. She is the leader of the underground resistance, The Black Lily. And she's waited long enough. Now is the perfect time to ignite the rebellion. The plan? Attend the vampire prince's blood ball. And kill him. Dagger in hand, Arabelle is caught off guard by the immediate spark she shares with Prince Marius. It doesn't help that he's listening to her and seems so kind and understanding. Arabelle is sworn to kill Marius at all costs, but what if Prince Charming is more than he appears to be? But the big question? Now that he knows the truth can she do what she must to save her people? Each book in the Vampire Blood series is STANDALONE: * The Black Lily * The Red Lily * The White Lily * The Emerald Lily
