Now, in Panic Snap, Laura Reese once again crosses the boundary between pleasure and pain with a story of extreme sexual obsession and one family's terrible secret. The accused murderess in a sensational trial, Carly Tyler waits outside a California courtroom as a jury decides her fate: Is she the depraved Madame de Sade of the newspaper headlines or the innocent victim of one wealthy family's gothic past? Left for dead by the side of a road fifteen years earlier, she emerged from a coma with no memory and a face completely altered by the plastic surgery need to repair her injuries. Who is she and what happened to her? The trail leads her to a magnificent vineyard and its mysterious owner, James McGuane, a man of wealth and immense sexual charisma who holds the key to her past. But to unlock it, she must risk her life on a terrifying erotic journey that tears apart a dynasty and reveals the truth about an appalling murder.

I used to be the hottest dominatrix in Manhattan, until I quit the BDSM scene to become a magazine editor in Brooklyn. I was a good girl for a while, and kept my nose clean.Then Mason Bryant came along. A handsome billionaire alpha male, he's tall, broad-shouldered, and irresistibly arrogant. He just purchased Chantel, the world's most prestigious fashion magazine, which also happens to be going out of business.Mason's plan for the magazine? He wants me to save it by becoming his new editor. The position, of course, comes with strings attached. And handcuffs, and spreader-bars, and anal plugs, and all sorts of nasty things.Just so you know, I'm taking the job. I'm sure he'll make me earn the position.I will make him proud, in more ways than one. Old habits die hard.

With an ending as startling as it is haunting, Topping From Below is unlike any novel you've ever read. Ever.

Henkin, Ph.D., co-author, Consensual Sadomasochism

A little girl named Amira is forced to move due to her dad's new promotion in the military. Although she's having a hard time with the move, her parents are very supportive in helping her adjust to the new move.

Secrets have a way of floating to the surface. . . . Mystery, compelling characters, and an abandoned town beneath a lake make for a must-read adventure. On the day Cassie was born, they drowned her town. The mayor flipped a lever and everyone cheered as Old Lower Grange was submerged beneath five thousand swimming pools' worth of water. Now, twelve years later, Cassie feels drawn to the manmade lake and the mysteries it hides — and she's not the only one. Her classmate Liam, who wears oversized swim trunks to cover the scars on his legs, joins Cassie in her daily swims across the off-limits side of the lake. As the summer heats up, the water drops lower and lower, offering them glimpses of the ghostly town and uncovering secrets one prominent town figure seems anxious to keep submerged. But like a swimmer who ventures too far from shore, Cassie realizes she can't turn back. Can she bring their suspicions to light before it's too late — and does she dare?

"Submerged is romantic suspense that will keep you up at night!"—Bestselling Author Dee Henderson A sabotaged plane. Two dead deep-water divers. Yancey, Alaska was a quiet town...until the truth of what was hidden in the depths off the coast began to appear. Bailey Craig vowed never to set foot in Yancey again. She has a past, and a reputation—and Yancey's a small town. She's returned to bury a loved one killed in the plane crash and is determined not to stay even an hour more than necessary. But then dark evidence emerges and Bailey's own expertise becomes invaluable for the case. Cole McKenna can handle the deep-sea dives and helping the police recover evidence. He can even handle the fact that a murderer has settled in his town and doesn't appear to be moving on. But dealing with the reality of Bailey's reappearance is a tougher challenge. She broke his heart, but she is not the same girl who left Yancey. He let her down, but he's not the same guy she left behind. Can they move beyond the hurts of their pasts and find a future together?

" Do you have digestion problems due to stress? Do you have problems with authority? How many alcoholic drinks do you consume a week? Would you rather be a florist or a truck driver? These are the questions that decide who has what it takes to live at South Pole Station, a place with an average temperature of -54°F and no sunlight for six months a year. Cooper Gosling is adrift at thirty, unmoored by a family tragedy and floundering in her career as a painter. So she applies to the National Science Foundation Artists & Writers Program and flees to Antarctica -- the bottom of the Earth -- where she encounters a group of misfits motivated by desires as ambiguous as her own. There's Pearl, the cook whose Carrot Mushroom Loaf becomes means toward her Machiavellian ambitions; the oxymoronic Sal (he is an attractive astrophysicist); and Tucker, the only gay black man on the continent who, as station manager, casts a watchful eye on all. The only thing they have in common is the conviction that they don't belong anywhere else. Enter Frank Pavano -- a climatologist with unorthodox beliefs. His presence will rattle this already unbalanced community, bringing Cooper and the Polies to the center of a global controversy and threatening the 800-million-year-old ice chip they call home. In the tradition of And Then We Came to the End and Where'd You Go Bernadette?, South Pole Station is a warmhearted comedy of errors set in the world's harshest place. --
