Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit... well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did... and my life changed forever. This is not a love story. It is an un-love story. From the author of Five Point Someone and 2 States, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

She used to be the laughingstock of Riverdale. Now she ' s a successful New York journalist with a DGAF attitude. After graduating from Riverdale High, Ethel Muggs couldn ' t get away from her hometown—and onto her chosen career path—fast enough. When the Mayor of Riverdale pays her handsomely to write a history of the city, she can ' t wait to return to take down Archie, Jughead, Betty, Veronica, and all the other Riverdale natives who made her life hell all those years ago. The only thing she forgets to consider is... maybe they ' ve all changed, too.

The most ghost-filled mansion on Coney Island has been demolished-and unfortunately, every one of its spirits has decided that Harley's hacienda is the hot new hangout to haunt! It sure is convenient, then, that Zatanna is currently booked at Big Tony's cabaret show! It's up to Harley and Zatanna to convince all of those ghosts to move on to the next world but if you think Harley's got problems now, just wait until you see the ectoplasmic baggage these specters are packing!

Book Two of the bestselling Lux series Being connected to Daemon Black sucks... Thanks to his alien mojo, Daemon's determined to prove what he feels for me is more than a product of our bizzarro connection. So I've sworn him off, even though he's running more hot than cold these days. But we've got bigger problems. Something worse than the Arum has come to town... The Department of Defense is here. If they ever find out what Daemon can do and that we're linked, I'm a goner. So is he. And there's this new boy in school who's got a secret of his own. He knows what's happened to me and he can help, but to do so, I have to lie to Daemon and stay away from him. Like that's possible. Against all common sense, I'm falling for Daemon. Hard. But then everything changes... I've seen someone who shouldn't be alive. And I have to tell Daemon, even though I know he's never going to stop searching until he gets the truth. What happened to his brother? Who betrayed him? And what does the DOD want from them—from me? No one is who they seem. And not everyone will survive the lies... Read the entire bestselling series! #1: Obsidian (from Katy's point of view) #2: Onyx (from Katy's point of view) #3: Opal (from Katy's point of view) #4: Origin #5: Opposition Oblivion (Books 1-3 from Daemon's point of view) CAN BE READ FIRST OR AFTER KATY'S POV! Prequel: Shadows (Dawson's story)

This five-views work brings together an all-star lineup of Pauline scholars to offer a constructive, interdenominational, up-to-date conversation on key issues of Pauline theology. The editors begin with an informative recent history of biblical tradition related to the perspectives on Paul. John M. G. Barclay, A. Andrew Das, James D. G. Dunn, Brant Pitre, and Magnus Zetterholm then discuss how to interpret Paul's writings and theology, especially the apostle's view of salvation. The book concludes with an assessment of the perspectives from a pastoral point of view by Dennis R. Edwards.

Nazi Wives is a fascinating look at the personal lives, psychological profiles, and marriages of the wives of officers in Hitler's inner circle. Goering, Goebbels, Himmler, Heydrich, Hess, Bormann—names synonymous with power and influence in the Third Reich. Perhaps less familiar are Carin, Emmy, Magda, Margaret, Lina, Ilse and Gerda... These are the women behind the infamous men—complex individuals with distinctive personalities who were captivated by Hitler and whose everyday lives were governed by Nazi ideology. Throughout the rise and fall of Nazism these women loved and lost, raised families and quarreled with their husbands and each other, all the while jostling for position with the Fuhrer himself. Until now, they have been treated as minor characters, their significance ignored, as if they were unaware of their husbands' murderous acts, despite the evidence that was all around them: the stolen art on their walls, the slave labor in their homes, and the produce grown in concentration camps on their tables. James Wylie's Nazi Wives explores these women in detail for the first time, skillfully interweaving their stories through years of struggle, power, decline and destruction into the post-war twilight of denial and delusion.

Lunarbaboon shares life's parenting moments from the perspective of a 30-something dad/husband/chaos survivor. Together with the savvy, laid back Mom, wild child Moisha, baby Matilda, and a former Juillard student (their cat), Lunarbaboon must navigate the family and social dynamics of everyday life. Ranging from the hilarious (defeating closet monsters with a "stun" blaster that offers surprising facts about bears, Mars, and cats) to the sweet (the gray scale-to-color transition out of depression at the touch of a loved one), this collection explores the bonds within a family and all the characters who bring both order and chaos to life. Lunarbaboon ' s perfect meld of crabby humor and moments of impactful honesty give these comics a wide range and distinctive voice that ' s both comical and sincere.

Today Sunday morning worship competes with youth soccer, Starbucks, Facebook, and the allure of being "spiritual but not religious." To share the gospel in a world like this, Christians need to reach beyond the boundaries of concrete and virtual communities to become evangelists. That takes faith. It also requires skill with public relations, social media, traditional print materials and other techniques to increase church visibility. The authors, both recognized experts and consultants, walk readers through the theology of church communications and introduce steps to help us deliver clutter-busting messages to reach our technologically sophisticated and faith-challenged world.

A primer on today's world economy defines such terms as globalization, virtual money, and e-commerce, placing them in the context of today's economic climate and informing readers on the issues behind economic events. Original. 17,500 first printing.
