In early modern England, religious sorrow was seen as a form of spiritual dialogue between the soul and God, expressing how divine grace operates at the level of human emotion. Through close readings of both Protestant and Catholic poetry, Kuchar explains how the discourses of 'devout melancholy' helped generate some of the most engaging religious verse of the period. From Robert Southwell to John Milton, from Aemilia Lanyer to John Donne, the language of 'holy mourning' informed how poets represented the most intimate and enigmatic aspects of faith as lived experience. In turn, 'holy mourning' served as a way of registering some of the most pressing theological issues of the day. By tracing poetic representations of religious sorrow from Crashaw's devotional verse to Shakespeare's weeping kings, Kuchar expands our understanding of the interconnections between poetry, theology and emotion in post-Reformation England.

NEW YORK TIMES BESTSELLER If you think the wildest, wackiest stories that Carl Hiaasen can tell have all made it into his hilarious, bestselling novels, think again. Dance of the Reptiles collects the best of Hiaasen's Miami Herald columns, which lay bare the stories--large and small--that demonstrate anew that truth is far stranger than fiction. Hiaasen offers his commentary—indignant, disbelieving, sometimes righteously angry, and frequently hilarious—on burning issues like animal welfare, polluted rivers, and the broken criminal justice system as well as the Deepwater Horizon oil spill, Bernie Madoff's trial, and the shenanigans of the recent presidential elections. Whether or not you have read Carl Hiaasen before, you are in for a wild ride.

The only English translation of "a masterpiece" (The Nation)—a stunning trilogy of novellas about the soul-crushing cost of life under a violent Haitian dictatorship, featuring an introduction by Edwidge Danticat Originally published in 1968, Love, Anger, Madness virtually disappeared from circulation until its republication in France in 2005. Set in the barely fictionalized Haiti of "Papa Doc" Duvalier's repressive rule, Marie Vieux-Chauvet's writing was so powerful and so incendiary that she was forced to flee to the United States. Yet Love, Anger, Madness endures. Claire, the narrator of Love, is the eldest of three daughters who surrenders her dreams of marriage to run the household after her parents die. Insecure about her dark skin, she fantasizes about her middle sister's French husband, while he has an affair with the youngest sister, setting in motion a complicated family dynamic that echoes the growing chaos outside their home. In Anger, the police terrorize a middle-class family by threatening to seize their land. The father insinuates that their only hope of salvation lies with an unspeakable act—his daughter Rose must prostitute herself—which leads to all-consuming guilt, shame, and rage. And finally, Madness paints a terrifying portrait of a Haitian village that has been ravaged by militants. René, a young poet, is trapped in his family's house for days with no food and becomes obsessed with the souls of the dead that surround him.
