Author Jenny Lee Wheeler lost her father to cancer when she was fourteen and validates for her peers that they have the right to grieve. Teens grieve differently from adults and often get lost in the shuffle after the death of a loved one.

Weird Is Normal When Teenagers Grieve by Jenny Lee Wheeler

It is normal for teenagers to be moody, because of the hormonal changes they go through. the changes happening to the neural pathways in their brain and the ongoing growth of their body. Whilst many teens appear to be of the same size as adults, they still do not have the same lung capacity and this adds to the changes going on in their brains, making them feel tired easily.

Weird Is Normal When Teenagers Grieve is unique because it is a self-help book for grieving teens written by an actively grieving teen. Author Jenny Lee Wheeler lost her father to cancer when she was fourteen and validates for her peers that they have the right to grieve in their own way and according to their own timetable, that their grief attacks might be different from those of adults around them, and that they aren't going crazy if they see signs from their loved one. Dr. Heidi Horsley ...

Weird Is Normal When Teenagers Grieve: Wheeler, Jenny Lee ...

Lots of teenagers take solace in the dark clothes and powerful vibes of a mysterious person. While it might seem "weird," it's pretty normal. Embrace your inner athlete. Jocks don't have to be the villains from high school drama movies. Be a well-adjusted athlete who takes sporting seriously. Make it your "thing."

3 Ways to Be a Normal Teenager - wikiHow

It isn't even just normal for teenagers. A lot of people in the world are going through sexual confusion right now. I am seeing a lot more people in my practice who are for example struggling with the possibility that they might be gay and sometimes they don't even realise it yet, but you can clearly see it in their behaviour and preferences. So yes, it's normal.
