Welcoming Families with Special Needs to Your Church

Welcoming children and students with special needs is really not that different than welcoming everyone else in your church. 1. Keep lines of communication open. In order to care for a student with special needs you must be able to communicate well with their family and they must feel comfortable communicating back with you. Every student is different.

Imagine a new child coming to your fourth-grade Sunday school class. He has a motorized wheelchair. He cannot speak intelligible words. His eyes, when open, seem to wander aimlessly. But, every once and a while, he seems to focus on a face or a sound. He smiles. Sometimes he lets out an excited &ld
