still a polite sign of greeting in northern India and Tibet (see Body Parts). Cosmic Egg In ancient times the primeval universe—or the Great Mother—took the form of an egg. A probing account of the honored place of older women in ancient matriarchal societies restores to contemporary women an energizing symbol of self-value, power, and respect.

Extraordinary independent scholar of comparative religion and mythology Walker examines a time when the Goddess and her consort/son ruled supreme and forward into the era when the patriarchy usurped Her worship.

Prominent feminist author Barbara Walker has revamped, retold, and infused with life some of your favorite classic fairy tales. No longer are women submissive, helpless creatures in need of redemption through the princely male! Instead they are vibrantly alive, strong women who take fate into their own hands.

Among the topics explored are: how to form a women's spirituality

Discusses women's spirituality, and provides information on holidays, herbs, chants, robes, altars, mandalas, crystals, the laws of the Goddess, and rites of passage
