When Women Commit War Crimes - War on the Rocks

In wartime, women have more opportunities to gain leadership skills, which likely increases the number of women running for office after the war. However, past violence also increases threat perceptions among voters. This, combined with gender stereotypes about male and female politicians, likely reduces voter support for female candidates. Using pre- and post-war electoral and wartime violence data at the municipal level from Bosnia, the authors present evidence that is consistent with ...

money from families, and force people to flee their homes. According to a 2000 Human Rights Watch report war rape in the Kosovo War can generally be subdivided into three categories: rapes in women's homes, rapes during fighting, and rapes in ...

Wartime sexual violence - Wikipedia

Focusing on contemporary wars, Leatherman examines the causes, consequences, and responses to sexualized violence in wartime as well as the factors that motivate people to commit such atrocities. Reflecting on the agency of women and girls in the context of war, she provides a nuanced analysis of factors like masculinity , patriarchy, normalized violence, and systemic attacks.

Potentially powerful new initiatives are emerging, such as the Nobel Women's Initiative campaign to stop rape and gender violence in conflict and the UK government's recent commitment to put together a team of experts to tackle sexualized violence in warzones.

What are the solutions to wartime rape? - Women's Media Center
War is an intense armed conflict between states, governments, societies, or paramilitary groups such as mercenaries, insurgents and militias. It is generally characterized by extreme violence, aggression, destruction, and mortality, using regular or irregular military forces. Warfare refers to the common activities and characteristics of types

War - Wikipedia

Very few women are wartime rapists. Very few women issue commands to commit sexual violence. Very few women play a role in making war plans that feature the intentional sexual violation of other women. This book is about those very few women. *Women as Wartime Rapists* reveals the stories of female perpetrators of sexual violence and their place in wartime conflict, legal policy, and the punishment of sexual violence. More broadly, Laura Sjoberg asks, what do the actions and perceptions of ...

Sexual Violence: a Tool of War - United Nations

Sexual violence in wartime is not a new issue and is not limited to one geographical region, time period or conflict. Sexual violence is commonly used in war because it is an effective way in which to exert control and domination. It intensely traumatises the victims and has wide-ranging psychological and physical implications.
